Project Consistency with an Adopted IRWM Plan

The projects are contained in this region's Integrated Regional Water Management Plan, known as the One Water One Watershed 2.0 Plan. This region is referred to as the Santa Ana Funding Area and geographically as the Santa Ana River Watershed.

Project ID	Agency Name	Project Name
Priority Projects for Implementation under the OWOW 2015 Solicitation		
3139	Orange County Sanitation District	Newhope-Placentia Trunk Replacement
3143	San Bernardino Valley Municipal Water District	Santa Ana River Conservation & Conjunctive Use Program (SARCCUP) – Phase 1: The Watershed-Wide, Water Banking, Water Use Efficiency & Habitat Enhancement Project
Integrated Watershed Protection Program - Riverside County Flood Control and Water Conservation District		
3144	Riverside County Flood Control and Water Conservation District	Beaumont MDP Line 16
3145	Riverside County Flood Control and Water Conservation District	San Jacinto River Levee, Stage 4 & River Corridor Expansion Project
3150	Lake Hemet Municipal Water District	Bautista Pond Optimization

The One Water One Watershed Steering Committee voted to amend the One Water One Watershed 2.0 Plan to include the projects contained in the proposal on June 18, 2015. The Santa Ana Watershed Project Authority's Commission ratified the Steering Committee's decision on July 7, 2015. The amendment, contained in Appendix N of the Plan, is contained online at http://www.sawpa.org/owow-2-0-plan-2/ and is included herein.

OWOW 2.0 Plan – Supplemental List of OWOW Projects

Priority Projects for Implementation under the OWOW 2015 Solicitation

ProjectID	Agency Name	Project Name
3139	Orange County Sanitation District	Newhope-Placentia Trunk Replacement
3143	San Bernardino Valley Municipal Water District	Santa Ana River Conservation & Conjunctive Use Program (SARCCUP) – Phase 1: The Watershed-Wide, Water Banking, Water Use Efficiency & Habitat Enhancement Project
Integrated Watershed Protection Program - Riverside County Flood Control and Water Conservation District		
3144	Riverside County Flood Control and Water Conservation District	Beaumont MDP Line 16
3145	Riverside County Flood Control and Water Conservation District	San Jacinto River Levee, Stage 4 & River Corridor Expansion Project
3150	Lake Hemet Municipal Water District	Bautista Pond Optimization

Planning Projects for the OWOW 2015 Solicitation

3062	Orange County Water District	OCWD Wildlife Exhibit
3064	Inland Empire Utilities Agency	RW Supply Optimization and Drought Relief Project
3065	San Bernardino County Flood Control District	Plunge Streambed Restoration and Elder Creek Channel Improvement
3072	San Gorgonio Pass Water Agency	Beaumont Avenue Recharge Facility
3073	Orange County, Public Works, Infrastructure Programs, Capital Programs	Fullerton Creek Channel (OCFCD Facility No. A03) from downstream Beach Blvd. including undercrossing to downstream I-5 Freeway.
3074	City of Corona Department of Water & Power	Corona/Home Gardens Well #3 Local Water and DAC Provision Project
3075	Orange County Water District	GWRS & GAP Intertie
3077	Orange County, Public Works, Infrastructure Programs, Capital Programs	Santa Ana-Delhi Channel (OCFCD Facility No. F01) from Upper Newport Back Bay to downstream of Mesa Drive.
3078	Orange County, Public Works, Infrastructure Programs, Capital Programs	Lane Channel (OCFCD Facility No. F08) from Confluence with F05 channel to Von Karman.
3079	Orange County, Public Works, Infrastructure Programs, Capital Programs	East Garden Grove-Wintersburg Channel (OCFCD Facility No. C05) from upstream Warner Avenue to downstream Goldenwest Street.
3080	Orange County, Public Works, Infrastructure Programs, Capital Programs	Carbon Creek Channel (OCFCD Facility No. B01) from upstream Intersection of Western/Orange to upstream Beach Boulevard.

ProjectID	Agency Name	Project Name
3081	Orange County, Public Works, Infrastructure Programs, Capital Programs	Carbon Creek Channel (OCFCD Facility No. B01) from downstream Western Avenue to upstream Orange (including both undercrossings).
3082	Orange County, Public Works, Infrastructure Programs, Capital Programs	East Garden Grove-Wintersburg Channel (OCFCD Facility No. C05) from upstream Oceanview Channel (C06) Confluence to downstream Beach Boulevard.
3083	Orange County, Public Works, Infrastructure Programs, Capital Programs	Fullerton Creek Channel (OCFCD Facility No. A03) from downstream I-5 Freeway to downstream Dale Street.
3084	Orange County, Public Works, Infrastructure Programs, Capital Programs	Carbon Creek Channel (OCFCD Facility No. B01) from upstream Beach Boulevard to Dale Street.
3085	Orange County, Public Works, Infrastructure Programs, Capital Programs	Carbon Creek Channel (OCFCD Facility No. B01) from I-5 Freeway to Euclid Street
3086	Orange County, Public Works, Infrastructure Programs, Capital Programs	East Garden Grove-Wintersburg Channel (OCFCD Facility No. C05) from downstream Beach Boulvevard to downstream Woodruff Street (including undercrossing at Beach Blvd).
3087	Orange County, Public Works, Infrastructure Programs, Capital Programs	Westminster Channel (OCFCD Facility No. C04) from downstream Bolsa Chica Street to upstream the intersection of Springdale Street and Edinger Avenue.
3088	Orange County, Public Works, Infrastructure Programs, Capital Programs	East Garden Grove-Wintersburg Channel (OCFCD Facility No. C05) Haster Relief Line, from 50-feet downstream Lampson Ave to 800-feet upstream Lampson Ave
3089	Orange County, Public Works, Infrastructure Programs, Capital Programs	Carbon Creek Channel (OCFCD Facility No. B01) from upstream Gilbert Street to downstream I-5 Freeway including B01P01 & B01B02
3090	Orange County Water District	SARI Treatment Plant at Ball Road Basin
3091	Orange County, Public Works, Infrastructure Programs, Capital Programs	Fullerton Creek Channel (OCFCD Facility No. A03) from downstream Western Ave to downstream Beach Blvd.
3092	Orange County, Public Works, Infrastructure Programs, Capital Programs	Westminster Channel (OCFCD Facility No. C04) from upstream the intersection of Springdale Street and Edinger Avenue to upstream Bolsa Avenue.
3093	Orange County, Public Works, Infrastructure Programs, Capital Programs	Brea Creek Channel (OCFCD Facility No. A02) at Beach Boulevard

ProjectID	Agency Name	Project Name
3094	Orange County, Public Works, Infrastructure Programs, Capital Programs	East Garden Grove-Wintersburg Channel (OCFCD Facility No. C05) from upstream Quartz Street to upstream Bushard Street
3095	Orange County, Public Works, Infrastructure Programs, Capital Programs	East Garden Grove-Wintersburg Channel (OCFCD Facility No. C05) from upstream Bushard Street to upstream the intersection of McFadden Street/Brookhurst Street
3096	Orange County, Public Works, Infrastructure Programs, Capital Programs	East Garden Grove-Wintersburg Channel (OCFCD Facility No. C05) from upstream the intersection of McFadden Street/Brookhurst Street to Ward Street
3097	Orange County, Public Works, Infrastructure Programs, Capital Programs	Ocean View Channel (OCFCD Facility No. C06) from upstream of the Confluence with East Garden Grove-Wintersburg Channel (C05) to downstream Beach Boulevard
3098	Orange County, Public Works, Infrastructure Programs, Capital Programs	Ocean View Channel (OCFCD Facility No. C06) from downstream Beach Boulevard to downstream of Newland Street
3099	Orange County, Public Works, Infrastructure Programs, Capital Programs	Ocean View Channel (OCFCD Facility No. C06) from downstream of Bushard Street to downstream of Brookhurst Street
3100	Orange County, Public Works, Infrastructure Programs, Capital Programs	Santa Ana Gardens Channel (OCFCD Facility No. F02) from downstream Alton to Segerstrom
3101	Orange County, Public Works, Infrastructure Programs, Capital Programs	Peters Canyon Channel (OCFCD Facility No. F06) from Confluence with San Diego Creek Channel (F05) to downstream Barranca Parkway
3102	Orange County, Public Works, Infrastructure Programs, Capital Programs	Lane Channel (OCFCD Facility No. F08) from Von Karman to 1000’ downstream Redhill Avenue
3103	Orange County, Public Works, Infrastructure Programs, Capital Programs	Santa Ana-Santa Fe Channel (OCFCD Facility No. F10) from confluence with Peters Canyon Channel to downstream Redhill Avenue
3104	Orange County, Public Works, Infrastructure Programs, Capital Programs	Santa Ana River Channel (OCFCD Facility No. E01) Dredging Project from Pacific Coast Highway to upstream Adams Avenue
3105	Orange County Water District	Water Banking
3106	Orange County Water District	Water Wheeling
3107	Orange County Water District	Alamitos Barrier Extension (Landing Hill)
3108	Orange County Water District	West OC Enhanced Pumping
3109	Orange County Water District	Talbert Barrier South East Expansion
3110	Orange County Water District	Talbert Barrier Ward Street Expansion
3111	Orange County Water District	Desilting Santa Ana River Flows
3113	Orange County Water District	Purchase Land for New Basins

ProjectID	Agency Name	Project Name
3114	Orange County Water District	Enhanced Recharge in Santiago Creek: Grijalva Park
3115	Orange County Water District	Subsurface Recharge/Collection Systems in Off-River and Five Coves
3116	Orange County Water District	Enhanced Recharge: SAR Between Five Coves and Lincoln Ave
3117	Orange County Water District	Enhanced Recharge in SAR Below Ball Road
3118	Orange County Water District	Lincoln Basin Rehabilitation
3119	Orange County Water District	Santiago Creek: Increased MWD Flows from Irvine Lake
3120	Orange County Water District	Additional Warner to Anaheim Lake Pipeline
3121	Orange County Water District	Increase GWRS Pipeline Capacity to Forebay
3122	Orange County Water District	Lakeview Pipeline
3123	Orange County Water District	Conrock Warner Transfer Pipeline
3124	Orange County Water District	Connect Santiago Pipeline with GWRS Pipeline
3125	Orange County Water District	Anaheim Lake Recontouring
3126	Orange County Water District	Power Plant In Fountain Valley
3127	Orange County Water District	Ocean Desalination Plant Distribution Infrastructure
3128	Orange County Water District	OCWD Ocean Desalination Plant
3129	Orange County Water District	Divert LA Sewage to OCSD Plant #1
3130	Orange County Water District	Reseach Methods to Control Quagga Mussels
3131	Orange County Water District	Recharge in Lower Santiago Creek
3132	Inland Empire Utilities Agency	Regional Water Recycling Plant No. 1 (RP-1) Expansion
3133	Inland Empire Utilities Agency	Jurupa Community Services District Joint Projects for Inclusion in the Santa Ana River Watershed-scale Conjunctive Use Program (SARCUP) Future Phases within the Chino Groundwater Basin
3134	Inland Empire Utilities Agency	Regional Water Recycling Plant No. 5 (RP-5) Expansion
3136	Inland Empire Utilities Agency	Regional Treatment Plants & Distribution System Improvements
3137	Inland Empire Utilities Agency	Regional Water Resources Projects
3140	Inland Empire Utilities Agency	Chino Basin Groundwater Supply Wells and Raw Water Pipeline
3146	Inland Empire Utilities Agency	Recycled Water Program Strategy
3147	Orange County Water District	Invasive Trees Removal Project
3148	Orange County Water District	Feral Pig Study and Removal Project
3149	City of Anaheim	Groundwater VOC Cleanup in Central Anaheim
3151	Orange County Water District	Cowbird Removal Project
3152	Orange County Water District	Urban Runoff Diversion to OCSD System

ProjectID	Agency Name	Project Name
3153	Orange County Water District	Off-Stream Stormwater Storage (Aliso Canyon Dam)
3154	San Bernardino County Flood Control District	Wilson Creek Channel Improvements

Priority Projects for Implementation under the 2014 Drought Solicitation

3155	Eastern Municipal Water District, Inland Empire Utilities Agency, Orange County Water District, San Bernardino Valley Municipal Water District and Western Municipal Water District	Interregional Landscape Water Demand Reduction Program (Emergency Drought Grant Program)

Priority Projects for Implementation under Round 2

3156	Inland Empire Utilities Agency	Lower Day Basin Project
