Eligible Applicant Documentation

The proposal applicant, Yolo County Flood Control and Water Conservation District, on behalf of the Westside-Sacramento 2015 IRWM Grant Application is an eligible applicant for this 2015 Grant Solicitation. Per requirements of the Eligible Applicant Documentation (page 13) of the Project Solicitation Package (PSP) 2015 Grant Solicitation, the applicant acknowledges that it:

- Is a local public agency as defined in Appendix B of the 2015 IRWM Guidelines.
- Was established at the request of the Yolo County Supervisors and created by California Legislature as an independent Special District to seek new water sources and manage them efficiently.
- For the purposes of this mission, has the legal authority to enter into a contract with the State will establish agreements with project partner agencies and/or organizations that ensure performance of the Proposal and tracking funds. Yolo County Flood Control and Water Conservation District will submit records, invoices, quarterly reports, and any other documentation deemed necessary by the California Department of Water Resources (DWR) to DWR in relation to the Proposal and the tracking of its funds and expenditures for the duration of the grant should it receive grant funding.

Yolo County Flood Control and Water Conservation District was the lead applicant for the 2014 Drought Grant on July 21, 2014, and included the necessary eligible applicant documentation. Therefore Yolo County Flood Control and Water Conservation District is not required to submit eligible applicant information as outlined on page 13 of the PSP 2015 Grant Solicitation.
