Dedicated to the preservation, conservation and enhancement of Striped Bass

Dear Sirs
Let get to the point, the resson for Bill 1253 is To Raise The salinity in the Rivers by pumping more water from up the River that is the Sacramento.
water salinity have To meet Levels for fish, So if Levels are high you CanT pump.
Don't beat arown the Bush and Blame the striped Bass for your Failure To Save the Salmon in the pumps and all the other fish to.
