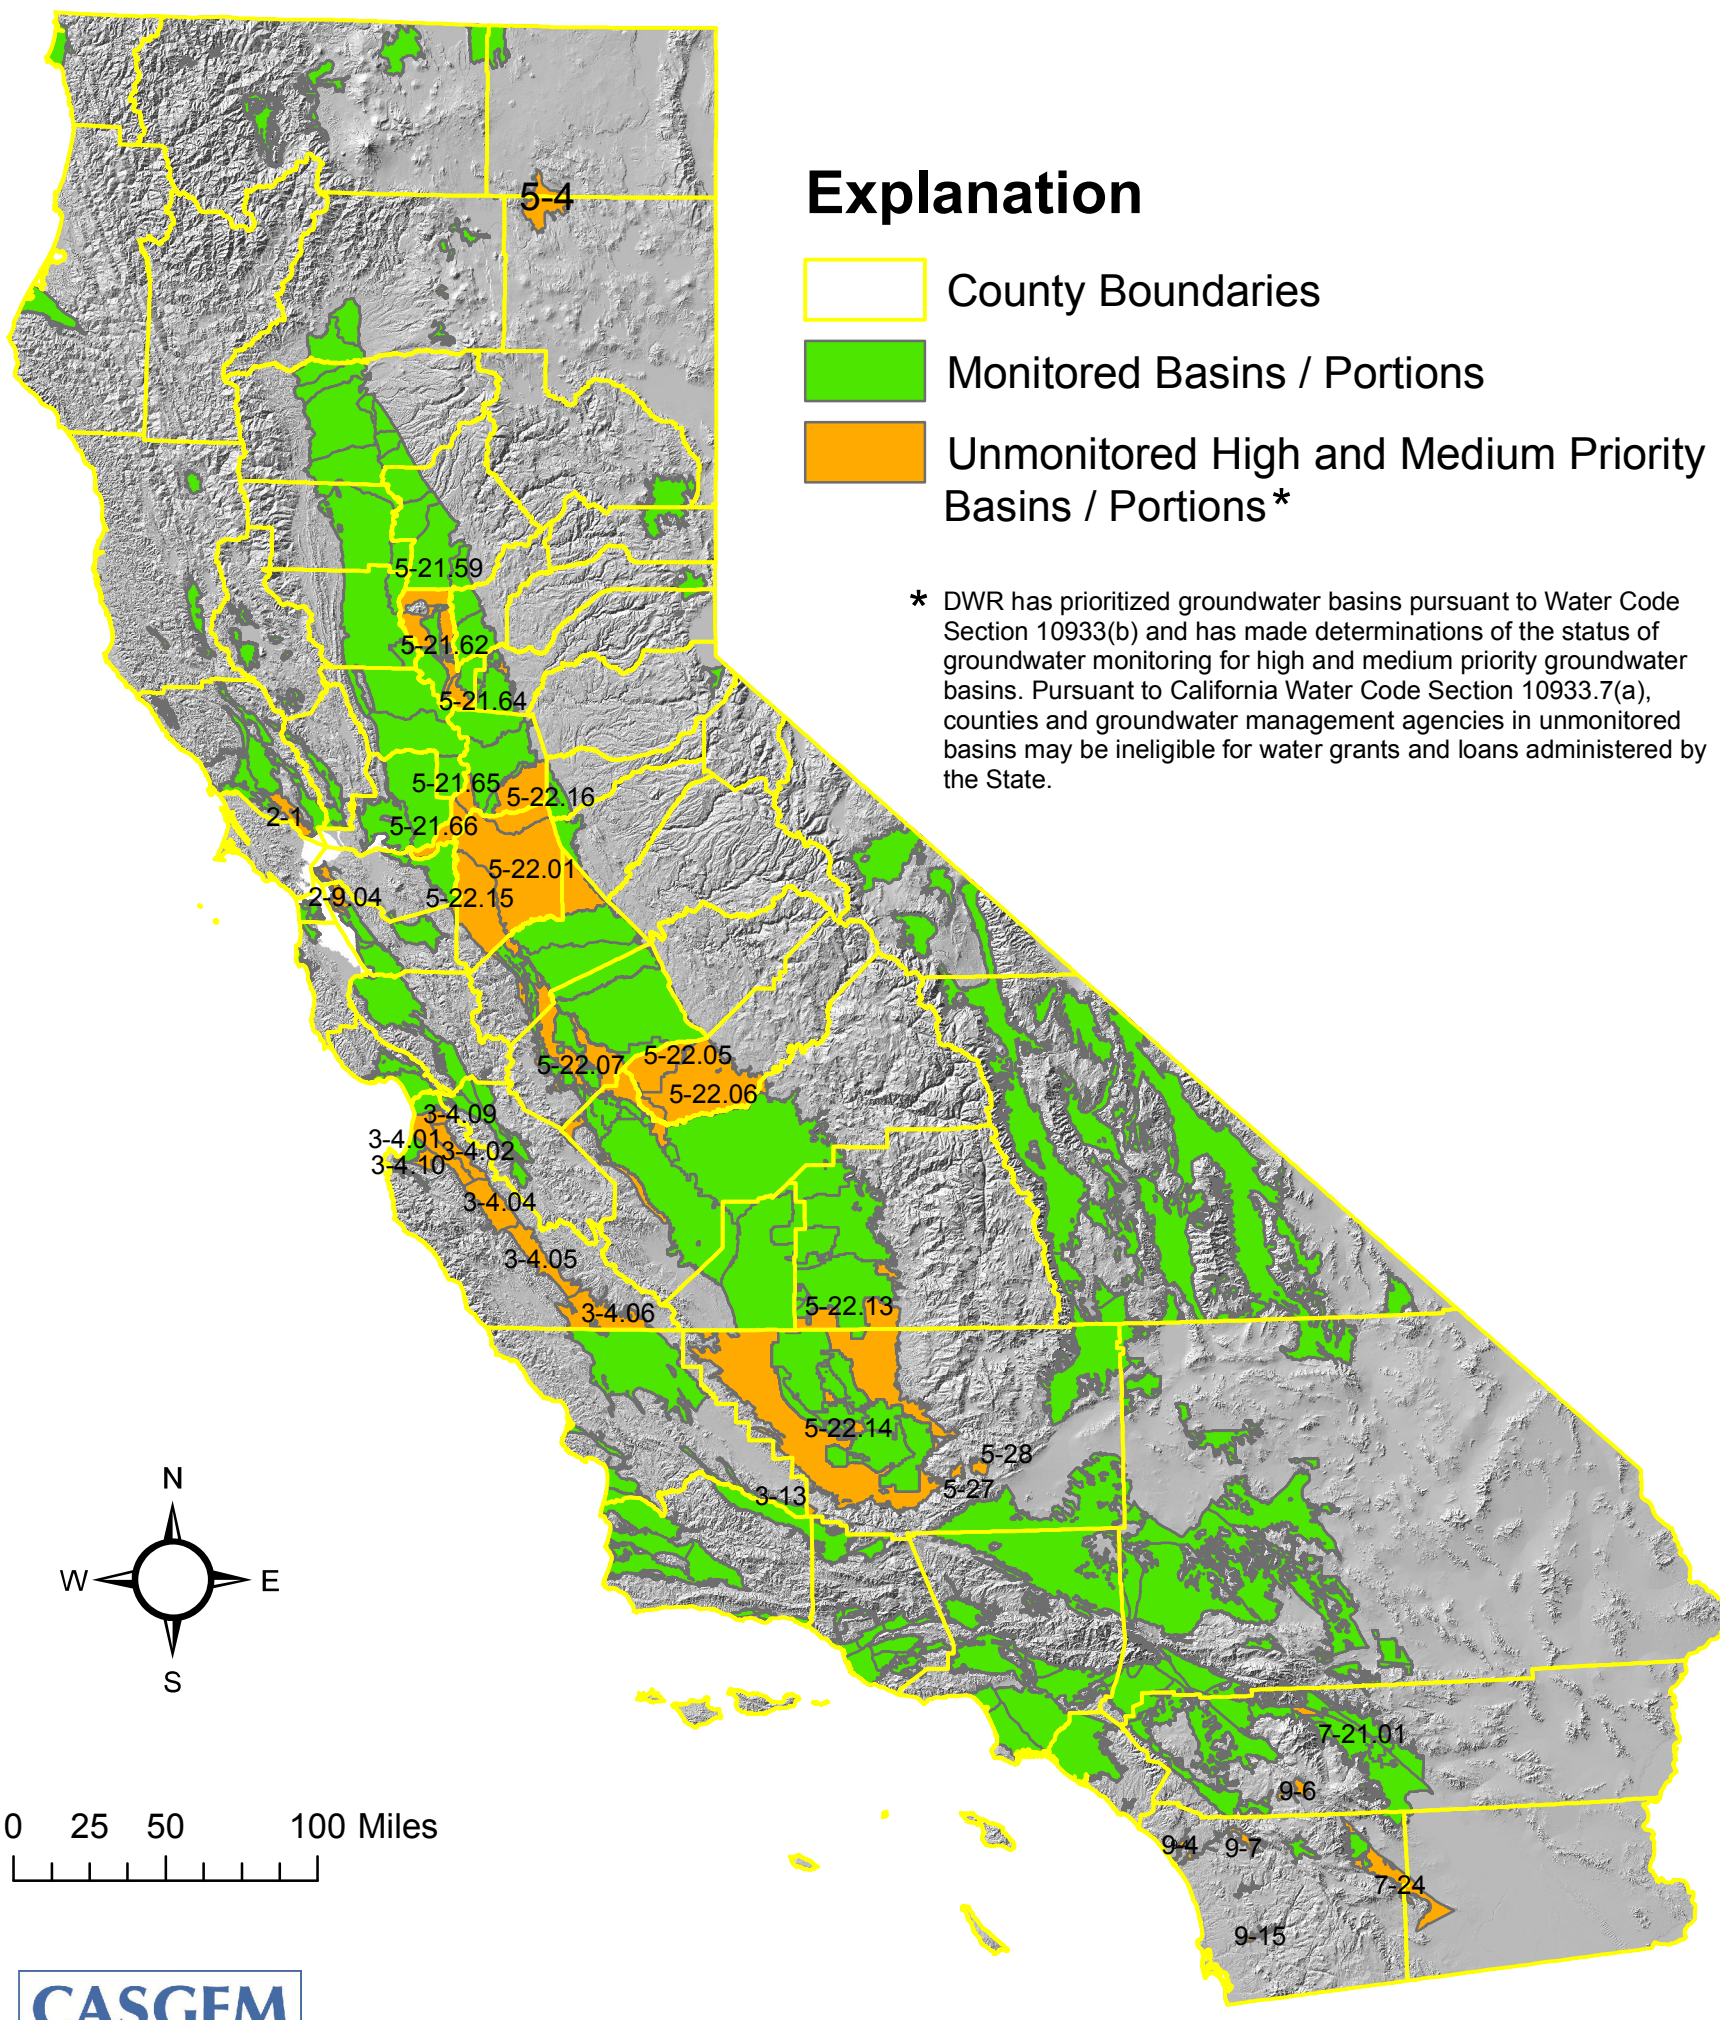
Monitored Groundwater Basins, and Unmonitored High and Medium Priority Basins and Portions of Basins, in the CASGEM Program as of November 20, 2014



Explanation

- County Boundaries
- Monitored Basins / Portions
- Unmonitored High and Medium Priority Basins / Portions*

* DWR has prioritized groundwater basins pursuant to Water Code Section 10933(b) and has made determinations of the status of groundwater monitoring for high and medium priority groundwater basins. Pursuant to California Water Code Section 10933.7(a), counties and groundwater management agencies in unmonitored basins may be ineligible for water grants and loans administered by the State.
