Hi Guyla – Thanks very much for the email confirmation. Per the attached message from Betsy, she received the electronic version that I posted on YouSendIt. If you need to download it again, you can open the attached message and click on "Download File". This should link to the electronic file.

Will you please confirm if that works for you?

Best Regards,
-Jenny

Dear Ms. Gain:

This is to inform you that the Department of Water Resources received the 2010 Urban Water Management Plan for the City of Antioch 2010 UWMP on July 8, 2011. The reviewer of your plan will be contacting you.

I noticed, however, that there was no CD of the Plan included in the package. Would you either e-mail me a .pdf copy of the plan or mail a CD at your earliest convenience. Possibly the Plan posted on Antioch's web page. If so, would you please e-mail me that link? It would be most appreciated.

Thank you and have a great day,
Guyla
