Dear Mr. Duncan:

This is to inform you that the Department of Water Resources (DWR) received the hard copy of the 2010 Urban Water Management Plan for the City of Eureka on September 16, 2011. There was, however, no CD containing the .pdf file of Eureka's UWMP, which we require. Nor was there a copy of the Adoption Resolution. Would you, or someone from your office, please send a CD via USMail, or e-mail the .pdf version of Eureka's plan to my attention at your earliest convenience.

DWR is required to retain a copy of the Adoption Resolution in our files. If the Eureka City Council has not yet adopted the plan, please send a copy of the original Adoption Resolution to my attention as soon as it becomes available so we can proceed with the review. It would be most appreciated.

For an expedited review of your plan, please use the DWR Online Submittal Tool (DOST). You may access DOST through DWR's Urban Water webpage, http://www.water.ca.gov/urbanwatermanagement/.

Thank you for your cooperation with the 2010 Urban Water Management Plan reporting cycle.

Warm regards,

Guyla
