Hi Jennifer

The E version is fine. We will upload it to our database—you don't have to send a CD.

Thanks,

Julie

Hello Ed,

We received Hi-Desert's UWMP (hard copy) on 7/21/11. However when uploading the electronic files, the UWMP was missing . On the included CD there are three appendices, but no plan. Could you please email me a pdf of the plan or send a CD with the plan included.

Thanks, Julie
