Joyce –

Once you have hit the "Submit" button, you no longer have access to the plan. The only one who can make any changes is your DWR reviewer. In your case, that is Sergio Fierro. He is cc'd on this email. If you haven't been contacted by Sergio yet, you will be soon. At that time you can talk to him about any changes you'd like to make.

I hope this helps.

Hello, Joyce.

Unfortunately, I am not the person with the answers regarding DOST. I am forwarding your question on to the staff who can give you answers. They will be in touch with you soon.

Thank you and have a great day,
Guyla

Thank you for your email Guyla. I have submitted the updated Plan via the DOST system, but have a question for you.

Section 1 of the UWMP submitted through DOST just needs information added. I don't see any way to edit the information now that it has been submitted. Can I edit Section 1? I just want to check the box next to "Participated in area, regional, watershed or basinwide Urban Water Management Plan" The reference and page number remains the same. Name of the Regional Plan should be the Gateway Regional Water Conservation Alliance.

Thank you for your assistance.

Subject: Amended Long Beach WD 2010 UWM Plan

Dear Mr. Lyons:

This is to let you know that the Department of Water Resources (DWR) received the amended and adopted 2010 Urban Water Management Plan for the Long Beach Water Department on October 7, 2011.

For an expedited review of your plan, please use the DWR Online Submittal Tool (DOST). You may access DOST through DWR's Urban Water webpage, http://www.water.ca.gov/urbanwatermanagement/.

Thank you for your cooperation with the 2010 Urban Water Management Plan reporting cycle.

Warm regards,

Guyla
