Dear Mr. Ferons:

This is to inform you that the Department of Water Resources (DWR) received a hard copy of the 2010 Urban Water Management Plan for the Santa Margarita Water District on July 27, 2011.

DWR also requires a CD containing a .pdf copy of the Plan. There is a CD containing *Appendix B, 1994 San Juan Basin Groundwater Management and Facility Plan*, but no other CDs containing the Plan were included. I would like to ask that either a CD be forwarded to me by US Mail, or a .pdf copy of the Plan be emailed to my attention. Possibly the SMWD plan in on a web page, in which case, the link to the 2010 Plan can be emailed to me. Your prompt attention to this matter is greatly appreciated.

Once we have the required elements, the reviewer of your plan will be contacting you.

Warm regards,

Guyla
