March 21, 2014

Ms. Carol Giovanatto
City Manager
City of Sonoma
No. 1 the Plaza
Sonoma, California 95476

Dear Ms. Giovanatto:

The Department of Water Resources (DWR) has reviewed the City of Sonoma's (City) 2010 Urban Water Management Plan (UWMP) received July 5, 2011. The California Water Code (CWC) directs DWR to report to the legislature once every five years on the status of submitted plans. In meeting this legislative reporting requirement, DWR reviews all submitted plan.

DWR's review of the City's 2010 UWMP has found that the plan has addressed the requirements of the CWC. DWR's review of plans is limited to assessing whether suppliers have addressed the required legislative elements. In its review, DWR does not evaluate or analyze the supplier's UWMP data, projections, or water management strategies. This letter is meant to acknowledge that the City's 2010 UWMP has addressed these requirements. The results of the review will also be provided to DWR's Financial Assistance Branch.

If you have any questions regarding the review of the plan or urban water management planning, please do not hesitate to contact me.

Sincerely,

Peter Brostrom
UWMP Program Manager
