Dear Ms. Andrews:

This is to inform you that the Department of Water Resources received the 2010 Urban Water Management Plan for the City of Vacaville on July 18, 2011. The reviewer of your plan will be contacting you.

We require a CD of Urban Water Management Plans (UWMP) as well as the hard copy. There was no CD included with your UWMP. Would it be possible for you, or someone in your office, to forward the Vacaville 2010 UWMP in .pdf format via email, on a CD via US Mail to my attention at your earliest convenience?. Or, possibly, your 2010 Plan is posted on your webpage. If so, it would be most appreciated if you would forward the link to that page to my attention.

Thank you very much and have a great day,
Guyla
