Hello again, Mr. Grayer.

I am sorry I had not noticed before sending my previous message….But, there was not CD containing Vaughn's 2010 Plan, which is required by the Department, included with the hard copy of the UWMP. It would be appreciated if you, or someone in your office, would either send a CD to my attention via US Mail, or e-mail me a .pdf copy of Vaughn's 2010 UWMP at their earliest convenience.

Thanks in advance for your attention to this matter.

Make it a great day,
Guyla
