Dear Mr. Daum,
Attached is the final adopted IRWM Plan for the Upper Sacramento, McCloud and Lower Pit River (USR) Region. As the grantee for the region's IRWM Planning grant, The River Exchange submits this adopted plan on behalf of the region's RWMG in order to initiate the Plan Review Process, for the purpose of Round 3 Proposition 84 funding eligibility.

Please also find the attached Plan Review Process Reference List that DWR can use to easily location various required components of the plan.

The River Exchange contact regarding the Plan Review Process is:
