RE: Upper Santa Clara River Integrated Regional Watershed Management Plan Regional Water Management Group Comments on the Proposition 84 Draft Planning Grant Funding Recommendations

Dear Mr. Yun:

On behalf of the Upper Santa Clara River IRWMP RWMG, I am writing in support of the Proposition 84 Planning Grant draft funding recommendations and to express our appreciation for the effort that went into the evaluation and scoring of the submittals. The Upper Santa Clara River IRWMP RWMG is especially pleased that our application was one of the highest scored applications in the state. We look forward to being included on DWR's final recommended funding list for this round of planning grants so that we can work with our stakeholders to enhance regional water management through the Plan update process.

Please call Jeff Ford, Principal Water Resources Planner, at (661) 513-1281, if your team has any questions.

Sincerely,

Dan Masnada
General Manager
