Water Plan – Update 2013
Plenary 2012

Outreach and Education RMS

The 2013 Water Plan Update will add an RMS about using Outreach and Education as a means of changing the public ethic, alerting people to the critical issues in water, or connecting people with their watersheds.

An RMS

- 10-20 page chapter, with a pre-determined outline:
  - Description/ Current state of Outreach and Education
  - Potential Benefits
  - Potential Costs
  - Major Issues
  - Recommendations
  - References

Enjoy a 15 minute break…

Lunch will be served in the large room at Noon.
