

**Agenda**  
**2009 Water Conservation Act (Senate Bill x 7-7)**  
**Public Listening Sessions**  
**California Department of Water Resources**  
**March 8, 2010 – Sacramento, CA / March 10, 2010 – Los Angeles, CA**

**Purpose of Session:** The California Department of Water Resources (DWR) and the California Urban Water Conservation Council (CUWCC) are starting the process to establish technical methodologies and a water use target method to comply with Senate Bill x 7-7. The Listening Session is for the public to provide input on possible approaches, and assistance to identify the most feasible technical methodologies (including identifying possible data sources for water use target methods). Session participants are encouraged to provide input to DWR staff.
