Dear Agricultural Stakeholder Committee Members and Alternates:

Thank you for your participation in the June 4, 2015 Agricultural Stakeholder meeting. During the meeting, DWR staff misstated that Governor Brown's Executive Order B-29-15, directives 12 & 13, did not apply to Bureau of Reclamation CVPIA/RRA contractors. DWR's staff, in conversation with Counsel, has confirmed that Executive Order Directives 12 and 13 apply to all California water suppliers who provide water to more than 10,000 irrigated acres, including water suppliers with Federal contracts.

If you have any questions please don't hesitate to email or call.
