Teleconference

The teleconference box provides a "Call Me" feature which is NOT FUNCTIONING.

You should simply close the Teleconference box and call in to:

Call-in toll-free number 1-866-801-2958

Attendee access code: 899 733 2

IMPORTANT!! Please do not put the teleconference on hold!!

If you put the teleconference on HOLD, everyone on the line will be subjected to your "music-on-hold", making it impossible to continue the meeting. This may require that all parties hang up and dial back in to a new teleconference line - it is difficult and time consuming to try and identify the offending caller in order to mute them. *Muting your own line is fine. Just don't put us on hold!*
