

DRAFT Agenda

Water Conservation Executive Order (EO) B-37-16
Water Shortage Contingency Planning Technical Workshop
Focus on Drought Planning for Small Water Suppliers & Rural Communities

Thursday, October 13, 2016 2:00 P.M. – 5:00 P.M.

Center for Collaborative Policy, Large Conference Room
815 S Street, First Floor, Sacramento, CA 95811

Meeting Objectives:

This meeting will allow participants to discuss the current shortcomings in small water supplier and rural community drought planning and to help foster approaches to facilitate improvements. Elements of the proposed urban water supplier Water Shortage Contingency Plan (WSCP) framework will be used as a foundation where appropriate. The principal focus of the workshop is to acquire input from stakeholders regarding primary shortcomings, opportunities for improvements, and potential relationships with in-county urban and agricultural supplier drought planning.

**Attendance by webinar and teleconference is encouraged as seating is limited. Webinar participation will be interactive; the facilitator will provide for comments and questions from phone participants in equal fashion with the in-person participants. If attending in person, it is required to RSVP to Meagan Wylie at mwylie@ccp.csus.edu. Thank you.*
