

VALLEYWIDE FORUM

The Public is Invited!

Date: June 3, 2010

Time: 1:30 - 5:30pm (registration begins at 1:00 pm)

Location: City of West Sacramento's Boathouse
At Bridgeway Lakes
3650 Southport Parkway
West Sacramento, CA 95691

Via a Webinar: <http://cawater.rmxpres.com/webcast/data/vwf06032010/msh.htm>

The Valleywide Forum will provide the opportunity for the 2012 Central Valley Flood Protection Plan work group members and the public to learn each others' perspectives about regional issues, and will help inform the next steps of the public engagement process.

The Valleywide Forum will help to develop shared understanding among attendees about:

- The State-led flood improvement projects;
- Status and direction of the 2010 Central Valley Flood Protection Plan;
- Perspectives on regional issues in the Sacramento-San Joaquin Valley; and
- The *Regional Conditions Report – A Working Document* and the *Interim Progress Summary No. 1*. These documents will be available for public review at the Valleywide Forum.

Representatives from the DWR FloodSAFE California initiative will discuss programs that address statewide flood management.
