

Learn more about the next steps for the BDCP

The public comment period for the Draft Bay Delta Conservation Plan (BDCP), Draft BDCP Environmental Impact Report/Environmental Impact Statement (EIR/EIS), and Draft Implementing Agreement (IA) closed July 29. No final decisions have been made about going forward with the BDCP or selecting an alternative. Those decisions will occur only after completing the California Environmental Quality Act and the National Environmental Policy Act processes. Following the close of the comment period, State and federal agencies will respond to the received comments and prepare the final draft document.
