

## Council posts materials for December 17 meeting

The Delta Stewardship Council (Council) has posted all the [materials](#) for the [December 17 meeting](#).

Also, the Council has posted two reports from the November 19 meeting: a [staff report on Single-Year Water Transfers and the Delta Plan](#) and the [Delta Independent Science Board Report: Flows and Fishes in the Sacramento-San Joaquin Delta, Research Needs in Support of Adaptive Management](#).

## San Francisco Estuary and Watershed Science is posted

The [December 2015 issue of San Francisco Estuary and Watershed Science](#) is now posted. Articles are:

- Sturgeon in the Sacramento-San Joaquin Watershed: New Insights to Support Conservation and Management.
- Riverine Nutrient Trends in the Sacramento and San Joaquin Basins, California: A Comparison to State and Regional Water Quality Policies.
- You Can't Unscramble an Egg: Population Genetic Structure of *Oncorhynchus mykiss* in the California Central Valley Inferred from Combined Microsatellite and Single Nucleotide Polymorphism Data.
- Distribution and Habitat Associations of California Black Rail (*Laterallus jamaicensis cortuniculus*) in the Sacramento-San Joaquin Delta.

## SWRCB order protects fish, Delta salinity, and public health, safety

[The State Water Resources Control Board \(SWRCB\) has approved an order](#) that largely upholds protections for municipal water supplies and fisheries put in place earlier this year. The [order](#) intends to ensure that catastrophic fisheries declines do not continue, salinity control is maintained in the Delta, and that adequate minimal supplies for health and safety purposes are preserved.

## CVRWQCB Delta RMP Steering Committee will meet

The Central Valley Regional Water Quality Control Board (CVRWQCB) Delta Regional Monitoring Program (Delta RMP) Steering Committee will meet December 18 in Rancho Cordova. Agenda, meeting materials, and WebEx access information are [here](#). Meeting location map is [here](#).

## December issue of ESTUARY News is posted

The December 2015 issue of [ESTUARY News](#) is posted. A main feature of this issue is "State of the Estuary 2015 – 33 Indicators of Health."

There will be no Delta eNews for two weeks. The next edition will be January 7.

Happy Holidays!
