

Cultural, Historic and Paleontological Resources

WOULD THE PROJECT...

- Result in physical demolition, destruction, relocation, or alteration of a cultural or historic resource or its surroundings?
- Demolish or materially alter those physical characteristics that account for its inclusion in a local register of historic resources or justify its eligibility for inclusion in the California Register of Historic Resources?
- After properties included in or eligible for the National Register of Historic Places or other culturally valued properties or places of religious importance to Indian tribes?
- Directly or indirectly destroy a unique paleontological resource or site?
- Cause disturbance of fossils or objects of historic or scientific interest?
