

## **Delta Stewardship Council meeting today, tomorrow will be webcast**

The Delta Stewardship Council will meet today and tomorrow, Sept. 23 and 24, in the Secretary of State's Office Auditorium, 1500 11th St., Sacramento. [You can find details here.](#) The council will hear a presentation and then discuss water supply and demand. It will receive an update on the Bay Delta Conservation Plan and from the Delta Protection Commission on its resource management plan, its primary zone study, and its economic sustainability plan. [The meeting will be webcast.](#)

## **Delta science conference will be held next week at Convention Center**

The Biennial Bay-Delta Science Conference (formerly known as the CALFED Science Conference) will be held next week, Sept. 27-29, in Sacramento. It is a forum for presenting technical analyses and results relevant to the Delta Science Program's mission to provide scientific information for water and environmental decision-making in the Bay-Delta system. [Read more.](#)

## **New Delta science panel will hold its first meeting next week**

The new Delta Independent Science Board comprised of 10 scientists will hold its first meeting next Thursday and Friday, Sept. 30 and Oct. 1. During the meeting, the chairman and vice-chairman will be elected. There also will be a Bay Delta Conservation Plan panel discussion and an update from the National Research Council Committee on Sustainable Water and Environmental Management in the California Bay-Delta. [Go here for more information and the agenda.](#)

## **National Heritage Area in Delta is subject of meeting in Rio Vista**

The Delta Protection Commission will hold a meeting Wednesday, Oct. 6, from 6:30 to 9 p.m. in Rio Vista regarding a feasibility study for a National Heritage Area in the Delta. This meeting -- the second on this subject -- will provide an overview of the Delta National Heritage Area feasibility study and allow small group discussions about potential interpretive themes. [You can find more information here.](#)

## **New California Water Commission to meet next Tuesday**

The newly-appointed California Water Commission will hold its first meeting next Tuesday, Sept. 28, in Sacramento. It will focus on an introduction to the roles and responsibilities of the commission as well as an overview of recently passed water legislation, California Water Plan Update 2009 and other projects. The meeting is open to the public. [Go here for more information.](#)

## **BDCP Steering Committee plan Yolo meeting to gather input on bypass fishery**

The Bay Delta Conservation Plan Steering Committee will host a meeting to hear the public regarding fishery enhancement in the Yolo Bypass. The meeting will be held Wednesday, Oct. 6, from 4 to 7:00 p.m. in the Arthur F. Turner Community Public Library, 212 Merkley Ave., West Sacramento. [You can find details here.](#)

## **Discover the Delta Foundation to open farmers market next week**

The grand opening of the Delta Farmers Market in Rio Vista will be on Friday, Oct. 1. A ceremony is scheduled for 10 a.m. California Secretary of Agriculture AG Kawamura, the Discover the Delta Foundation Board of Directors, and Foundation President Ken Scheidegger and county Supervisor Don Nottoli will attend.
