

Water Resources

WOULD THE PROJECT...

WATER SUPPLY

- Provide adequate water supply?
- Affect local water supplies?
- Affect local agriculture supplies and quality?

WATER QUALITY

- Cause San Francisco Bay saltwater to invade the Delta?
- Change agricultural water quality and/or municipal/industrial (M&I) water quality?
- Comply with water quality standards?
- Mobilize toxic contaminants in the environment?

WATER RIGHTS

- Affect water rights and beneficial uses?
