

Assembly Bill 156

Local Agency Reporting Requirements Workshop

Department of Water Resources

The Department of Water Resources Flood Project Integrity and Inspection Branch will be hosting a series of workshops in August 2008 to receive feedback from Local Agencies on a new electronic web application developed in partnership with the California Data Exchange Center. This application has been designed to provide Local Agencies with access to flood control system information and to facilitate reporting under the new Water Code requirements resulting from Assembly Bill 156. A **Fact Sheet** which provides additional details on these Local Agency reporting requirements is enclosed.

Intended Workshop Audience:

Local Agencies and their Representatives

Proposed Agenda:

Introductions

Review of Informational Folders- Contents

- AB 156 Fact Sheet
- Web Application/Screenshots
- DFM Flood System Database
- Local Agency Access to Database Information
- Comment Form

Demonstration of Web Application

Paper Copy Reporting, Folder Mail-out

Next Steps

Comments

Session 3: August 14th, 9:00 – 11:00

Session 4: August 14th, 2:00 – 4:00

Location: Department of Water Resources

Joint Operations Center

2nd Floor, Flood Operations Center

3310 El Camino Avenue

Sacramento, CA 95821

Please RSVP by calling or e-mailing **Jon Ericson** if you plan to attend at (916) 574-2362, jericson@water.ca.gov. If you have any other questions, or comments, please direct them to **Jon Ericson** at the e-mail address or phone number listed above.

Please Test the New Web Application

We invite you to test the initial electronic reporting web application at any time using the link and test login information below:

<http://fco.water.ca.gov/lma.html>

username: lmatest

password: lmatest4op

Individual usernames and passwords specific to your Local Agency or an individual can be requested through the CDEC e-mail address provided through the web application link. Please send any comments or suggestions you have to **Jon Ericson** at jericson@water.ca.gov or send them using the CDEC e-mail address provided with the web application.

The web application will go live on September 1st. All previously entered test data will be erased prior to that date.
