6. PREBID BRAND AND TRADE NAME REQUESTS

Pursuant to Section 10129 of the Public Contract Code, alternatives to a designated material, product, thing, or service by specific brand or trade name that are of equal quality and of required characteristics for the purpose intended may be proposed during the bidding period, provided the bidder complies with the following:

- A. Proposals for alternatives to a designated material, product, thing, or service, requested during the bidding period, shall be furnished in writing to the Department's contract coordinator, not later than 14 days prior to the date and time of the bid opening. Proposals requested after issuance of the Notice to Begin Work, shall be submitted pursuant to Document 00706 – Control of Work, Paragraph 4 and Section 01330 – Submittals.
- B. Proposals shall be accompanied by complete information and descriptive data necessary to determine equality of the material, product, thing or service. Samples shall be provided when requested by the Department. Burden of proof as to availability, comparative quality, suitability, and performance of the material, product, thing, or service shall be upon the bidder. The Department will be the sole judge as to such matters. If the proposal is accepted, bidders will be notified by information letter or addenda pursuant to Document 00200 – Instructions to Bidders, Paragraphs 3 and 4 respectively.
- C. Refer to Document 00706 – Control of Work, Paragraph 6, for substitution requests after issuance of Notice to Begin Work.

7. SUBSTITUTION OF SECURITIES

Pursuant to Section 10263 of the Public Contract Code, the successful bidder will be permitted to substitute securities for any moneys withheld by the Department as provided by Section 10261 of the Public Contract Code.

8. GENERAL PREQUALIFICATION

All bidders shall be prequalified by the Department. Bid documents will be furnished only to prequalified bidders who meet the requirements of the State Contract Act and Document 00040 – Prequalification.

9. LABOR COMPLIANCE

The Department will utilize a Labor Compliance Program (LCP) pursuant to Labor Code Section 1771.5. 3QC, Inc. (3QC) will be the Department's LCP provider. Contractor and subcontractors shall be required to comply with the LCP. The LCP is available through the following website:

http://www.3qcinc.com/Clients/Public/?dir=Labor_Compliance. A labor compliance pre-job conference will be conducted with the Contractor and its subcontractors to discuss federal and state labor law requirements applicable to the project. The labor compliance pre-job conference is in addition to the pre-construction meeting and will be scheduled independently, either face-to-face, or by tele/web conference. Contractor and its subcontractors shall be required to maintain and furnish to the Department or 3QC, at designated times, a certified copy of each weekly payroll containing a statement of compliance signed under penalty of perjury. The Department or 3QC will review and audit payroll records to verify compliance with applicable labor law. The Department will withhold contract payments when payroll records are delinquent or inadequate. The Department will withhold contract payments equal to the amount of underpayment and penalties, when, after investigation, it has been established that underpayment has occurred. Copies of the required rates are on file with the Department and the Department of Industrial Relations and available upon request.
