# NOTICE TO CONTRACTORS

---

STATE OF CALIFORNIA  
CALIFORNIA NATURAL RESOURCES AGENCY  
DEPARTMENT OF WATER RESOURCES

Sealed bids for

SPAWNING GRAVEL SUPPLEMENTATION  
LOWER FEATHER RIVER  
STATE WATER FACILITIES  
OROVILLE FIELD DIVISION  
BUTTE COUNTY  
CALIFORNIA  
SPECIFICATION NO. 14-04  
CONTRACT NO. C51485

will be received by the Department of Water Resources at the Resources Building, 1416 Ninth Street, Room 418, Sacramento, California 95814, not later than **2:00 P.M. on WEDNESDAY, MARCH 26, 2014**, at which time they will be publicly opened and read at an announced location in the vicinity of such office.

**NOTE: Bidders/Visitors should allow sufficient time for checking in with Security upon entering main floor of the Resources Building.**

Bid forms for this work are included in a separate booklet titled BID FORM.

Bids will be considered only if submitted for all the work required for the above project. The work is defined in Section 01110 – Summary of Work, and includes but is not limited to the following principal features:

1. This project will import gravel adjacent to the Oroville Fish Hatchery and place a portion of the gravel into the Feather River adjacent to the fish hatchery for fish enhancement. This project has three parts as follows:
  - a. Part one consists of importing 13,300 cubic yards of gravel with on-road trucks over public roads, and stockpiling the gravel at a

stockpile location adjacent to the fish hatchery. The 13,300 cubic yards consist of two different gradations. 8,300 cubic yards shall be placed in the river channel under part three work. 5,000 cubic yards shall be left at the stockpile location for future use by the Department.

- 1) Part one work will be paid by a unit price for gravel delivered to the stockpile location.
- b. Part two consists of clearing, grading, shaping, and maintaining an earth access ramp from the stockpile location down to the Feather River channel. The Contractor shall use heavy off-road trucks and equipment on the access ramp and access road to transport the gravel from the stockpile location down to the river. This part includes removal and disposal of existing culverts in a side channel of the river and placing new culverts in the side channel. The new culverts will allow the trucks to reach the access road in the main channel of the river while allowing the side channel to stay open for fish.
  - 1) Part two work will be performed on a time and materials (T&M) basis.
- c. Part three consists of placing 8,300 cubic yards of the stockpiled gravel in the river channel to construct riffles, berms, and channels, and constructing an access road in the river channel. The Contractor shall also perform raking operations in the river channel to facilitate recovery of large cobbles, which will then be placed at the crest of a riffle to protect the riffle from erosion. Part three work will be mostly underwater.
  - 1) Part three work will be performed on a T&M basis.

Quantities of work, materials, and equipment required for completion of the work are specified in Document 00410 – Bid Schedule, which is subject to change.

## 1. WAGE RATES

Pursuant to Sections 1770 through 1773.8 of the California Labor Code, the Director of Industrial Relations has determined the general prevailing rate of per diem wages for the locality in which the work is to be performed. Such rates are on file for inspection at the office of the Department of Water Resources, Room 418, 1416 Ninth Street, Sacramento, California 95814. Copies may be obtained from the State of California, Department of Industrial Relations, Division of Labor Statistics and Research, P. O. Box 420603, San Francisco, California 94142, telephone (415) 703-4774, fax (415) 703-4771. Prevailing wage determinations may be obtained over

the Internet through California Department of Industrial Relations, Division of Labor Statistics and Research's Home Page at <http://www.dir.ca.gov/dlsr/>.

2. LICENSING

Bidders shall be licensed for the work as required by the Business and Professions Code. Contractor's license classification(s) for this work:   A   (Determined by Contractors' State License Board).

3. BIDDING

Forms of bid and contract, drawings and specifications for the project may be obtained only at the Department of Water Resources, 1416 Ninth Street, Room 418, Sacramento, California 95814, between the hours of 7:30 a.m. – 12:00 noon and 12:30 – 4:00 p.m. or by mail upon written request to the Department of Water Resources, P. O. Box 942836, Sacramento, California 94236-0001, Attention: Jim Veres, Contract Coordinator, Spec. No. 14-04, telephone (916) 653-4867, fax (916) 653-6166, or by e-mail at [doe\\_specs@water.ca.gov](mailto:doe_specs@water.ca.gov). Drawings and specifications may be seen at the above location or at Pearblossom Project Headquarters at 34534 116th Street East, P. O. Box 1250, Pearblossom, California 93553.

**FULL SIZE PRINTS OF DRAWINGS ARE AVAILABLE FOR \$3.00 PER SHEET (NON-REFUNDABLE). CHECK OR MONEY ORDER SHOULD BE MADE PAYABLE TO THE DEPARTMENT OF WATER RESOURCES.**

Drawings and specifications furnished to entities not meeting prequalification or joint venture bidding requirements, or the subcontractors, suppliers, or other parties not interested in bidding on the work, shall not be used for bidding purposes and will be stamped, "Information Copy for Estimating Purposes Only".

4. DVBE AND SMALL BUSINESS PARTICIPATION

Participation by Disabled Veteran Business Enterprises (DVBE) and qualification for Small Business Preference shall be as provided by Document 00206 – Instructions for DVBE Goal and Incentive and Document 00201 – Instructions for Small Business Preference. A DVBE incentive will be applied during bid evaluation in accordance with Document 00206, Paragraph 2 – DVBE Incentive.

In addition, the Department has set a 25 percent Small Business Enterprise (SBE) participation goal in its contracting and is tracking Small Business participation in its contracts. The Department encourages bidders to explore certification as a Small Business and/or Disabled Veteran Business

Enterprise and to utilize certified Small Business and Disabled Veteran Business Enterprises during the contract term.

Certification information may be obtained from the Department of General Services, Procurement Division, Office of Small Business and DVBE Services:

Listings of certified Disabled Veteran Business Enterprises specific to this contract may be obtained by contacting the DVBE Program Coordinator at (916) 653-5490 (phone) or [dkashkoo@water.ca.gov](mailto:dkashkoo@water.ca.gov) (email).

5. CONTRACT COORDINATOR

Questions relating to bidding may be directed to the Contract Coordinator of the Department of Water Resources in Sacramento, at the location or address given above, or at telephone (916) 653-4867. Questions or requests for clarification of the drawings or specifications shall be made in writing at least 10 days before the scheduled opening of bids. Response, if appropriate, will be furnished to all prospective bidders. A tour or meeting regarding the work site will be scheduled and conducted by the Department.

6. PREBID BRAND AND TRADE NAME REQUESTS

Pursuant to Section 10129 of the Public Contract Code, alternatives to a designated material, product, thing, or service by specific brand or trade name that are of equal quality and of required characteristics for the

purpose intended may be proposed during the bidding period, provided the bidder complies with the following:

- A. Proposals for alternatives to a designated material, product, thing, or service, requested during the bidding period, shall be furnished in writing to the Department's contract coordinator, not later than 14 days prior to the date and time of the bid opening. Proposals requested after issuance of the Notice to Begin Work, shall be submitted pursuant to Document 00706 – Control of Work, Paragraph 4 and Section 01330 – Submittals.
- B. Proposals shall be accompanied by complete information and descriptive data necessary to determine equality of the material, product, thing or service. Samples shall be provided when requested by the Department. Burden of proof as to availability, comparative quality, suitability, and performance of the material, product, thing, or service shall be upon the bidder. The Department will be the sole judge as to such matters. If the proposal is accepted, bidders will be notified by information letter or addenda pursuant to Document 00200 – Instructions to Bidders, Paragraphs 3 and 4 respectively.
- C. Refer to Document 00706 – Control of Work, Paragraph 6, for substitution requests after issuance of Notice to Begin Work.

## 7. SUBSTITUTION OF SECURITIES

Pursuant to Section 10263 of the Public Contract Code, the successful bidder will be permitted to substitute securities for any moneys withheld by the Department as provided by Section 10261 of the Public Contract Code.

## 8. LABOR CODE COMPLIANCE

This is a Public Works contract subject to Division 2, Part 7, Chapter 1 of the Labor Code, including Sections 1720-1861 of that code. It is also subject to California Code of Regulations, Title 8, Chapter 8, Subchapter 4.5 – Compliance Monitoring and Enforcement by the Compliance Monitoring Unit (CMU) of the Department of Industrial Relations (DIR) effective January 1, 2012. Among the requirements are that Contractors and subcontractors shall furnish electronically to DIR's CMU a certified copy of their weekly payroll records, signed under penalty of perjury, at least once per month or within 10 days of a separate request by the CMU in accordance with Sections 16460-16464 of the above-described regulations. Copies of the required wage rates are on file with DWR, are posted on the DIR website and are available upon request. In addition, pursuant to Section 16451(d) of the above-described regulations, Contractor shall post the required CMU notice at each applicable job site.

Notice to Contractors

For more information, Contractors are referred to the DIR's CMU website:  
<http://www.dir.ca.gov/dlse/cmu/cmu.html>.

MARK W. COWIN  
Director of Water Resources
