Lower Feather River Corridor Management Plan Work Group Meeting

AECOM Office, Coastal Conference Room
2020 L Street, Suite 400, Sacramento

Conference Line: (916) 574-1223

The purpose of the Lower Feather River Corridor Management Plan (CMP) is to develop an integrated strategy and long-term vision for managing the river corridor between the Yuba River and the Sutter Bypass in a way that facilitates and promotes public safety with economic sustainability and compatibility in future land uses, flood protection system management, maintenance of flood control facilities, and the restoration and enhancement of ecosystem functions and habitats.
