August 19, 2010

Lower Feather River Corridor Management Plan Work Group Meeting

AECOM Coastal Conference Room

Conference Line: 866-203-6896

Conf. ID: 5218856 plus “#”

*The purpose of the Lower Feather River Corridor Management Plan (CMP) is to develop a integrated strategy and long-term vision for managing the river corridor between the Yuba River and the Sutter Bypass in a way that facilitates and promotes public safety with economic sustainability and compatibility in future land uses, flood protection system management, maintenance of flood control facilities, and the restoration and enhancement of ecosystem functions and habitats.
(Revised Purpose Statement added at end of meeting.)*
