

Vierra Project Public Hearing

11/12/2003

2:00 p.m.

City of Modesto Police Department,

Public Meeting Room 101

600 10th Street

Modesto, California

The public hearing regarding a request to fund flood corridor improvements and wildlife habitat preservation and enhancement on the Vierra Unit, San Joaquin River National Wildlife Refuge, was called to order at 2:04 PM on Wednesday, November 12, 2003 at the City of Modesto Police Department, Public Meeting Room 101, 600 10th Street, Modesto CA.

Dr. Michelle Stevens represented the Department of Water Resources' Division of Flood Management and conducted the public hearing. Michelle reviewed the nature, origin, and authority of the Flood Protection Corridor Program and why the Review Panel chose the Vierra Project for an award of \$1,755,524.00. Dr. Stevens opened the meeting for public comment. **There were no members of the public who attended the public hearing, and no comments were received.** Dr. Michelle Stevens ended the hearing at 2:15 PM
