

Department of Water Resources
ENVIRONMENTAL INFORMATION FORM

Funding Recipients are responsible for complying with all applicable laws and regulations for their projects, including the California Environmental Quality Act (CEQA) and the National Environmental Policy Act (NEPA), if necessary. Work that is subject to the California Environmental Quality Act (CEQA) shall not proceed under this Agreement until documents that satisfy the CEQA process are received by the Department of Water Resources and Department has completed its CEQA compliance. Work that is subject to a CEQA document shall not proceed until and unless approved by the Department. Such approval is fully discretionary and shall constitute a condition precedent to any work for which it is required. Once CEQA documentation has been completed, the Department will consider the environmental documents and decide whether to continue to fund the project or to require changes, alterations or other mitigation.

2. Is this project exempt from CEQA compliance? Yes No (if no – skip to #3)
