BACKGROUND & OVERVIEW

PROGRAM - FUNDING

CURRENT GRANT TYPES

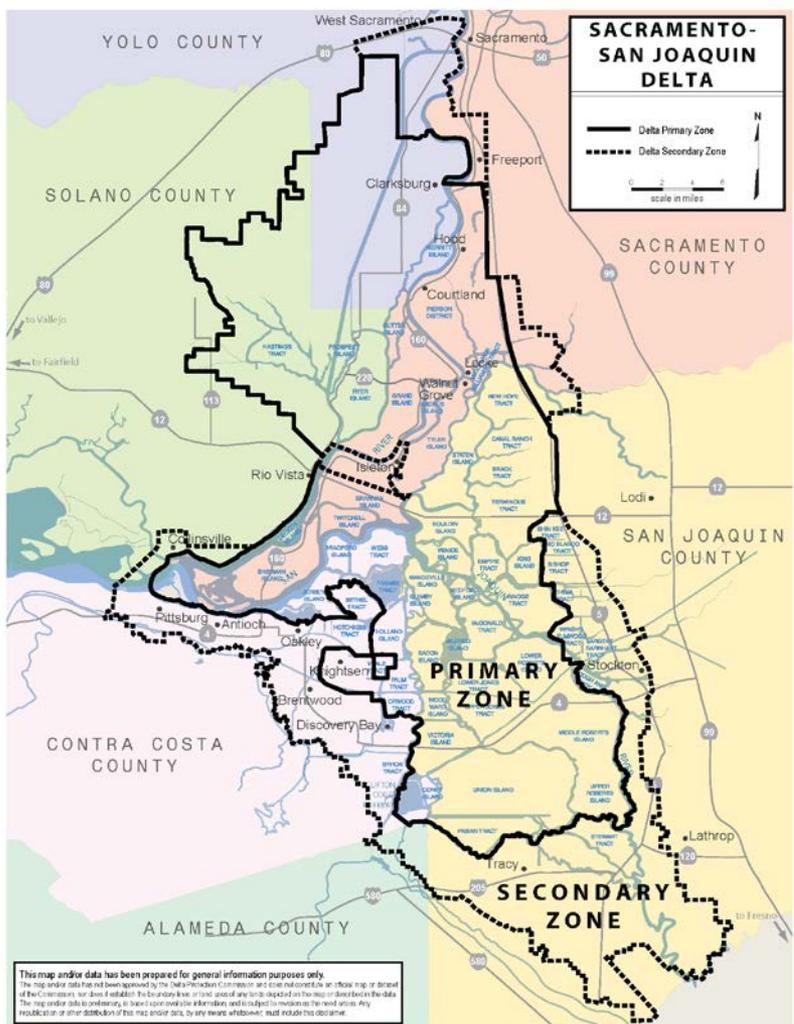

Delta Comms – \$5 Million
in Prop. 84 funding

Statewide Flood ER – \$5
Million in Prop 84 funding

Delta Flood ER - \$ 5 Million
in Prop 1E Funding

FIRST ROUND GRANT AWARDEES

6 Projects Funded

125 Participating Agencies

Over \$8.5 million in requested funds

Focused on Planning & Coordination

FUNDING SOURCES*

Funding for this Grant Program will be provided through Proposition 1E.

DWR will provide approximately **\$4.8 million** during this solicitation.

PROJECT FUNDING

Applicants will file a complete grant application package with DWR.

This grant will be for a **100% cost-share**.

Up to \$5,000 will be reimbursed for the development of application packages per applicant .

COMPETITIVE GRANT

Applications will be evaluated by the criteria presented in these guidelines .
(Section 6.2)

DIRECTED FUNDING*

Direct expenditure projects must address an interest of the State and may be proposed and approved at any time, but must be evaluated by the same criteria as competitive grants.

Will be used as a secondary mechanism of funding only if entirely necessary.

ELIGIBILITY

APPLICANTS - ACTIVITIES

ELIGIBILITY

APPLICANTS

California public agencies with **primary responsibility for flood emergency response.**

Local Maintaining Agencies

Reclamation Districts

Flood Control Districts

Cities

Counties

Joint Power Authorities

ELIGIBILITY

ACTIVITIES

STEP 1

Planning & Coordination

- Flood Safety Plans
- NIMS Training
- Maps
- Communication & coordination processes

STEP 2

Training & Exercises

- Flood emergency response training
- Communication drills and exercises

STEP 3

Facilities & Supplies

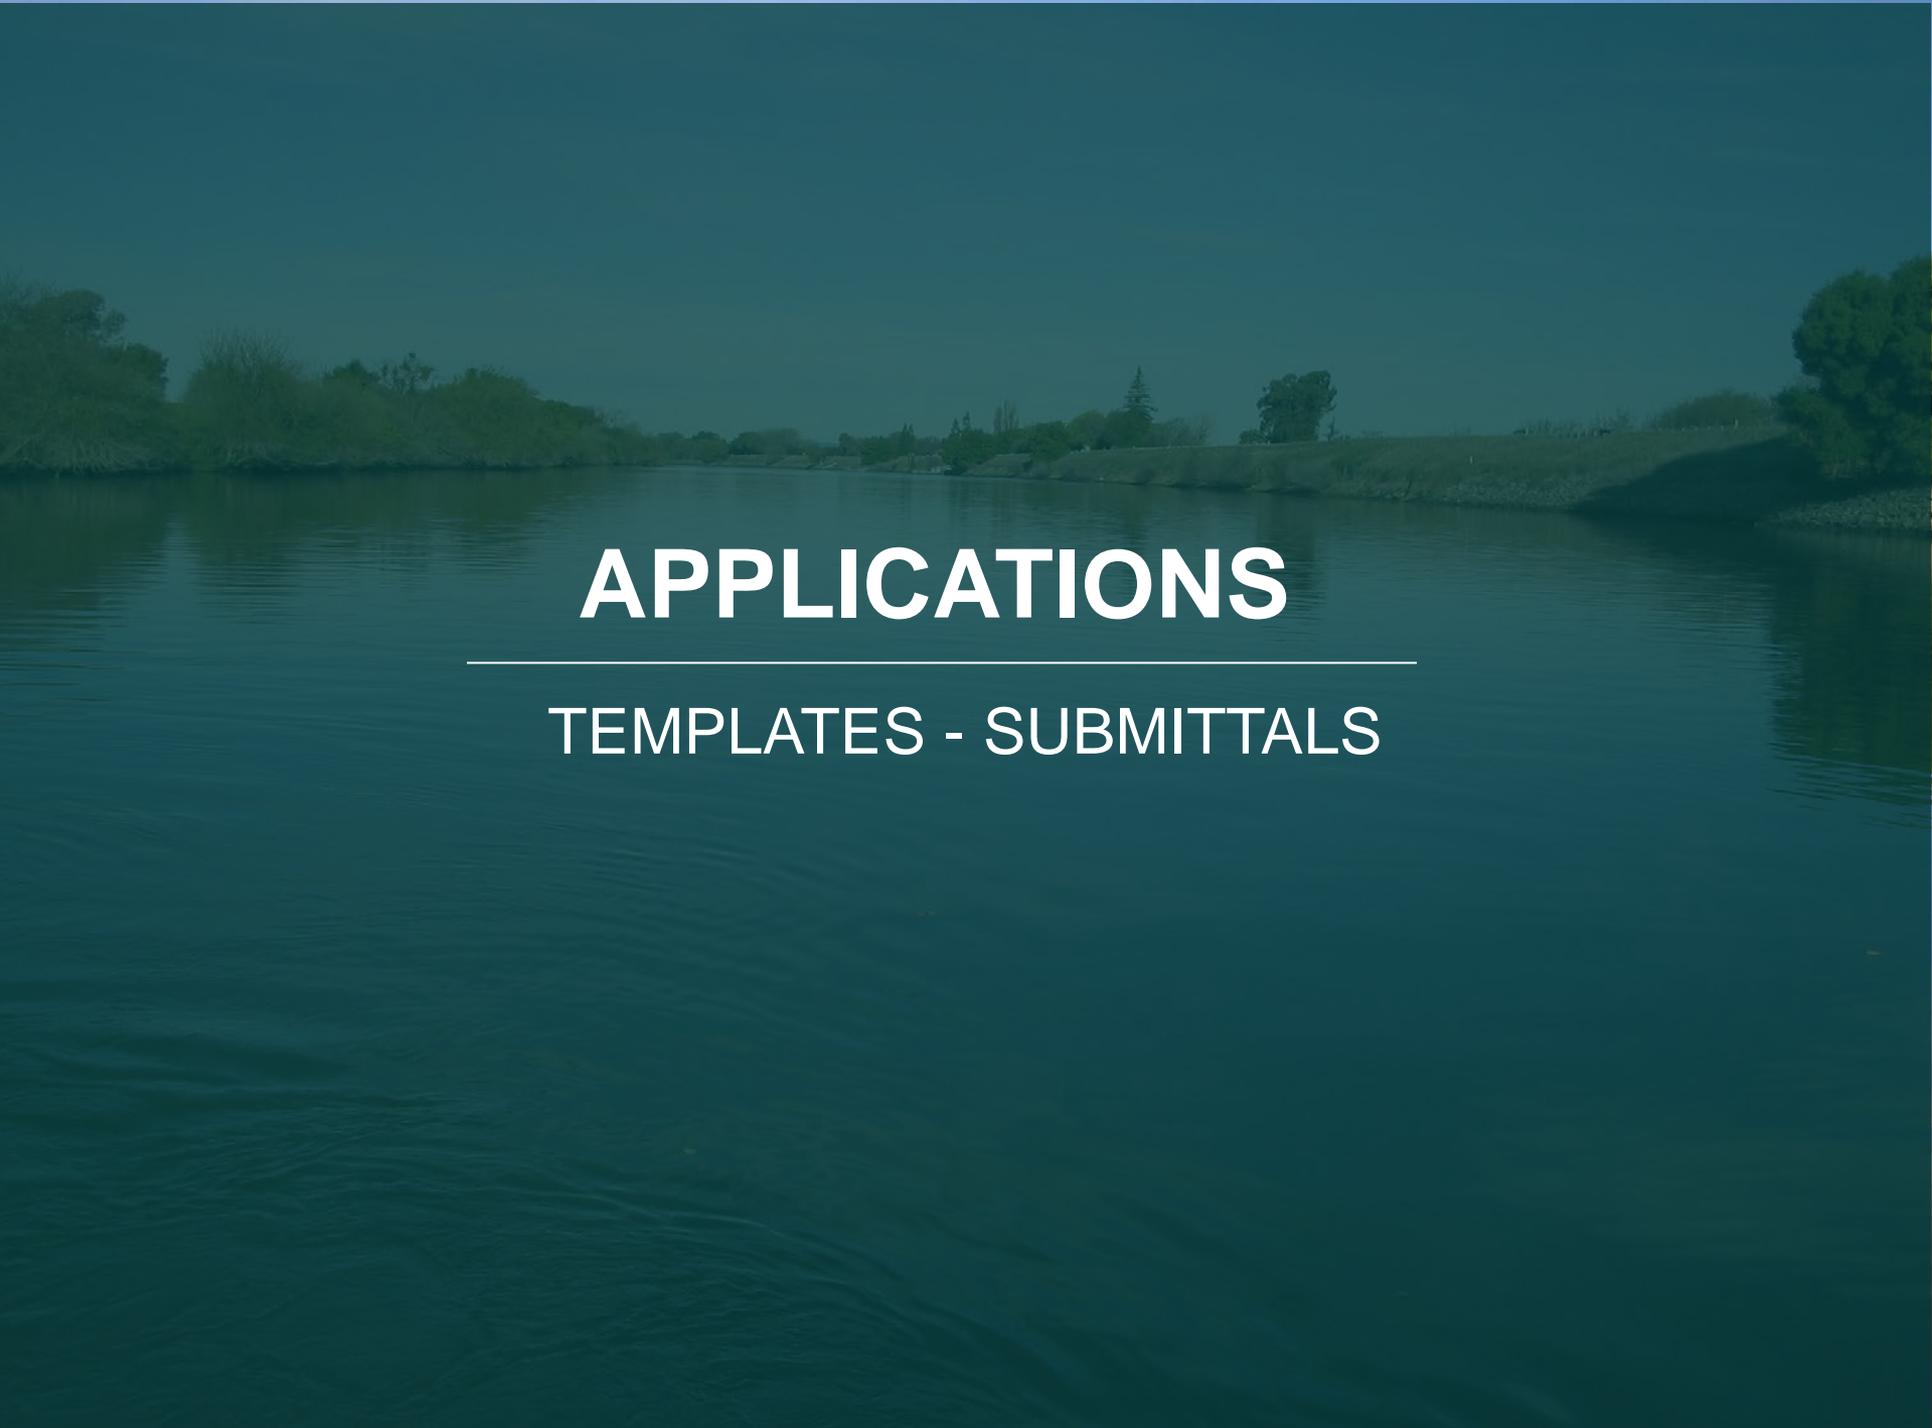

- Response Facilities
- Flood fight materials and supplies

ELIGIBILITY

INELGIBLE ACTIVITIES

- Search and rescue planning, equipment, and supplies
- Flood control system improvements
- Flood control evaluations and/or studies
- Hydrologic and hydraulic analyses (unless to support Flood Safety Plan development, decision support tools, evacuation planning, or floodwater removal)
- Maintenance activities
- Additional staff positions

APPLICATIONS

TEMPLATES - SUBMITTALS

GRANT APPLICATIONS

APPLICATION PACKAGE

A complete application will contain all the elements listed below:

- A1. Application Cover Letter
- A2. Application Cover Sheet
- A3. Applicant Information
- A4. Lead Agency Resolution
- A5. Partner Agency Letter of Commitment
- A6. Applicant's Authority and Capability
- A7. Environmental Information Form
- A8. Project Scope of Work
- A9. Project Schedule
- A10. Project Budget
- A11. Statement of Financial Capability
- A12. Maintenance Plan
- A13. Existing Flood Safety Plan, Emergency Action Plan, or Multi-Hazard Mitigation Plan (if appropriate)

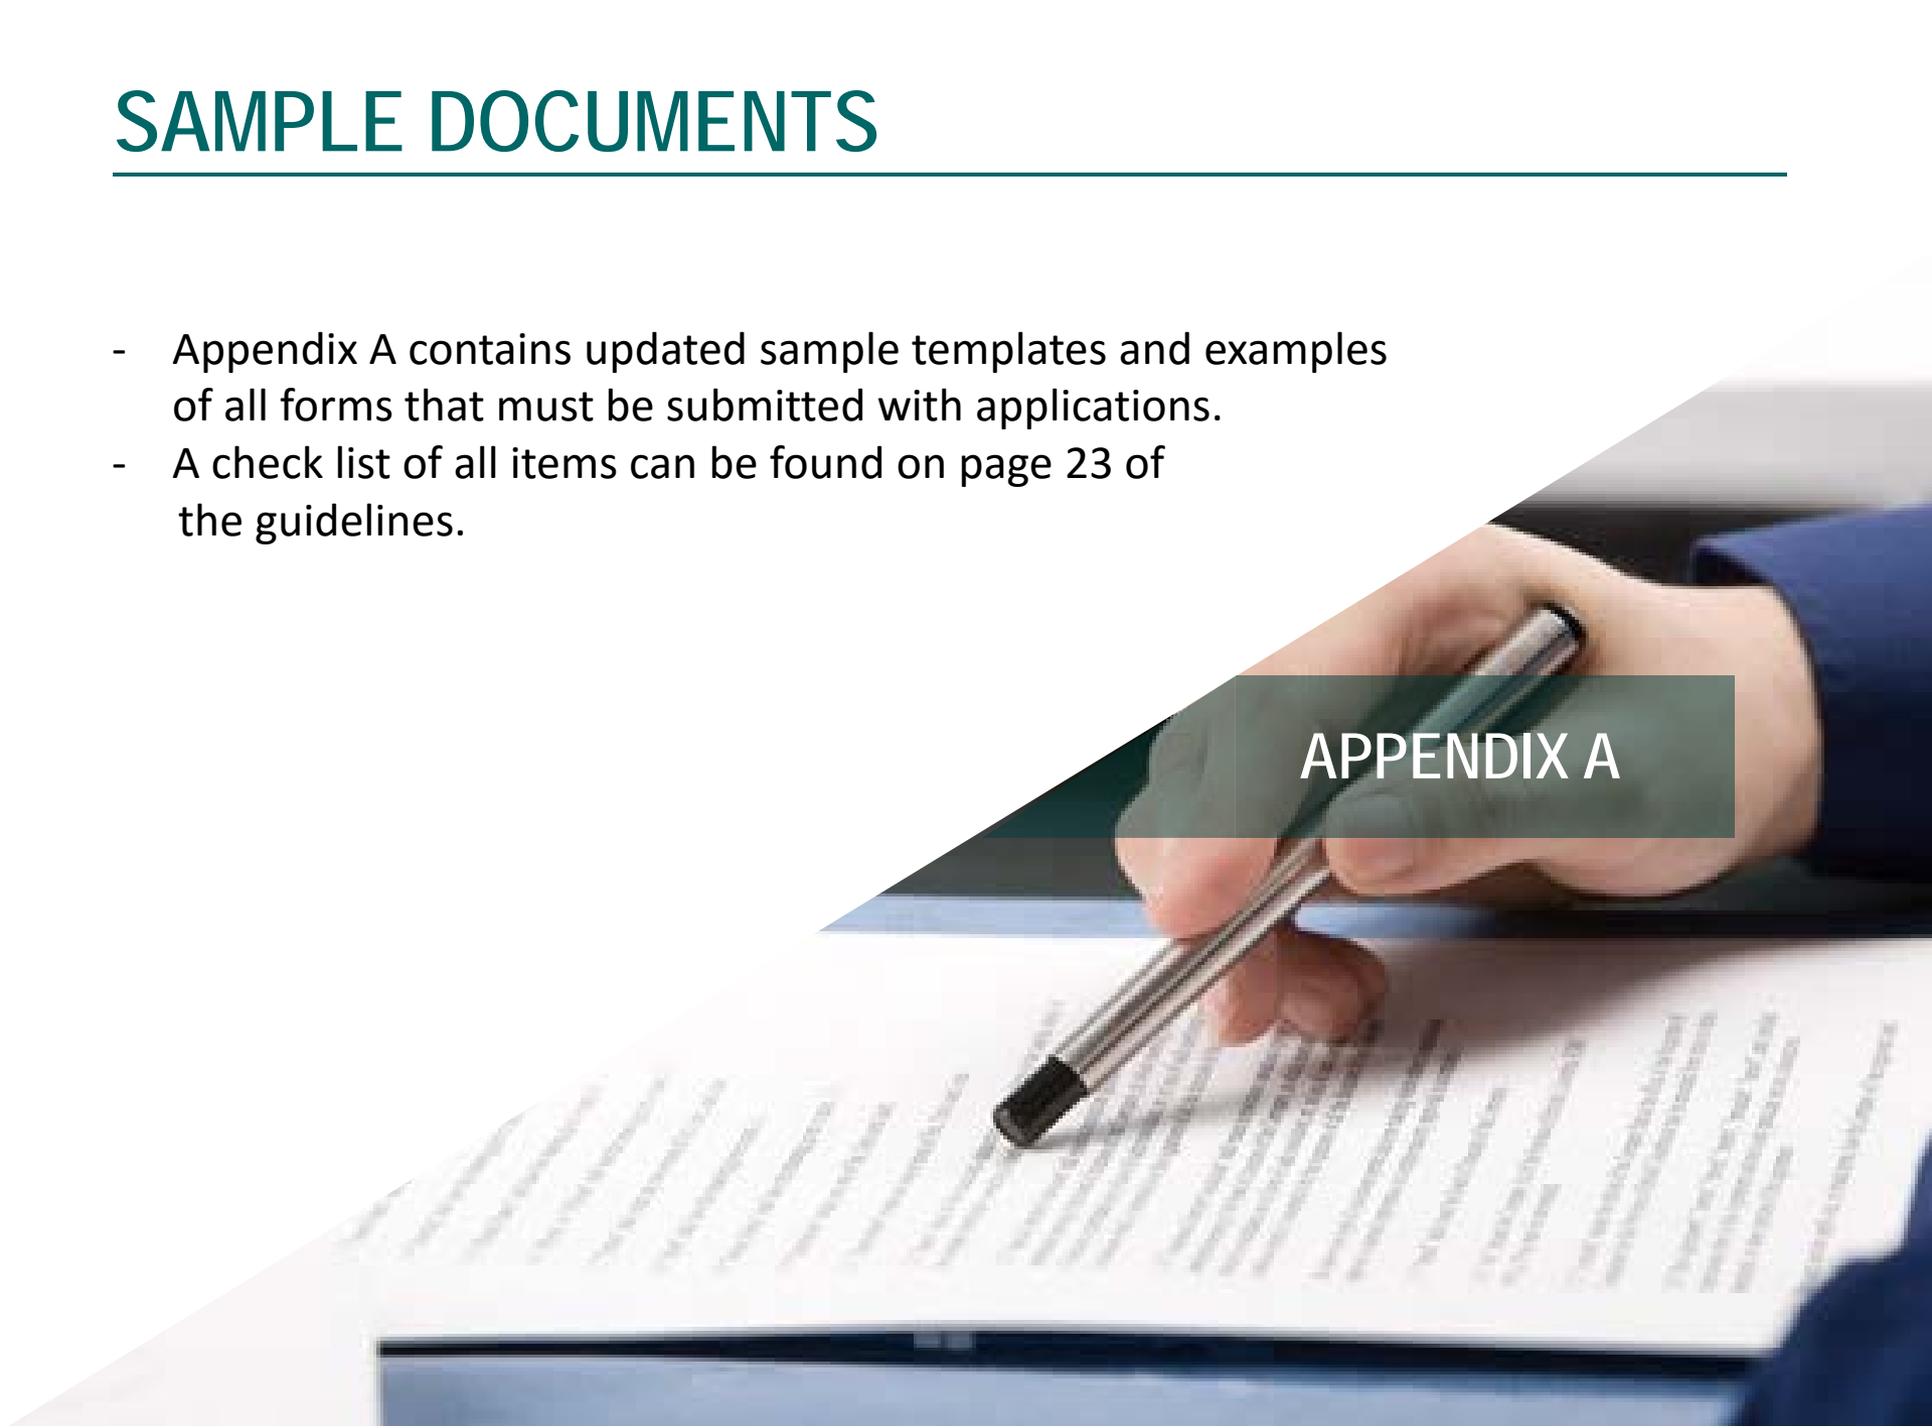

APPLICATION SUBMITTALS

- Applicants must submit three hard copy applications to DWR, one of which must contain the original wet signed documents.
- An electronic copy must also be provided to DWR via a compact disc, flash drive, e-mail, or through FTP/cloud services.
- Electronic copies should be in a Microsoft Word compatible format or in a searchable PDF format with content copying enabled.

SAMPLE DOCUMENTS

- Appendix A contains updated sample templates and examples of all forms that must be submitted with applications.
- A check list of all items can be found on page 23 of the guidelines.

A close-up photograph of a person's hand holding a silver pen over a document. The document is slightly out of focus, showing some text. A semi-transparent dark green rectangular box is overlaid on the image, containing the text 'APPENDIX A' in white, bold, uppercase letters.

APPENDIX A

GRANT APPLICATIONS A1 - A7

A1. Application Cover Letter

A2. Application Cover Sheet

A3. Applicant Information

A4. Lead Agency Resolution

A5. Partner Agency Letter of Commitment

A6. Applicant's Authority and Capability

A7. Environmental Information Form

GRANT APPLICATIONS A8

SCOPE OF WORK

A8. Scope of Work

1. Introduction

2. Background

3. Description of the Proposed Project

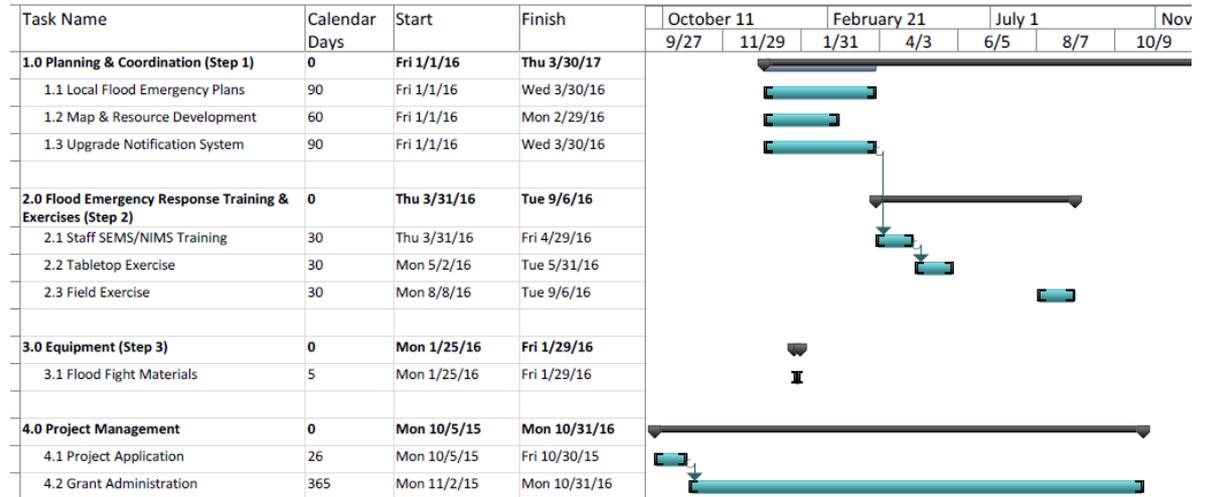

4. Task Breakdown

5. Project Opportunities and Constraints

GRANT APPLICATIONS A9 - A10

SCHEDULE & BUDGET

A9. Schedule

A10. Budget

Task	Other Contributions	Requested DWR Funding	Total
1.0 Planning & Coordination (Step 1)	\$4,000.00	\$729,000.00	\$733,000.00

REVIEW & AWARDS

RATING - SCHEDULE

REVIEW & AWARDS

RATING CRITERIA

A

Risk & Emergency Response

Flood risks, potential threats, and project benefits

D

Level Of Support

Letters of support

B

Proposed Project

Step 1, 2, and 3 rating

E

Regional Support

Projects support for other agencies and regional emergency response

C

Operational Area Support

Project's support for the operational area concept

REVIEW & AWARDS

TEIR 1 REVIEW

- Eligibility Check
- Acceptability and Completeness Check
- Rank and Review

TEIR 2 REVIEW

- Management Review
- Funding Review
- Draft List of Awards

SCHEDULE

Milestone or Activity	Dates
2016	
Guidelines & PSP Public Comment Period (30 days) Host comment workshops in Delta and as webinar Respond to comments & post updates	Jun
PSP Application Period Opens (61 days) Post Final Guidelines and PSP	Jul - Sept
Applicant Workshops Sacramento, Delta, and webinar Dates, times, and locations to be determined	Aug
Grant application closes	Sept 23
Application rank and review	Oct - Dec
2017	
Initial funding recommendations released for public comment Draft List of Awards	Jan
DWR approves final grant awards Final List of Awards	Feb/Mar
Develop SOW and execute grant agreements	TBD
