FUNDING SOURCES*

Funding for this Grant Program will be provided through Proposition 1E.

DWR will provide approximately **\$4.8 million** during this solicitation.

PROJECT FUNDING

Applicants will file a complete grant application package with DWR.

This grant will be for a **100% cost-share**.

Up to \$5,000 will be reimbursed for the development of application packages per applicant .

COMPETITIVE GRANT

Applications will be evaluated by the criteria presented in these guidelines .
(Section 6.2)

DIRECTED FUNDING*

Direct expenditure projects must address an interest of the State and may be proposed and approved at any time, but must be evaluated by the same criteria as competitive grants.

Will be used as a secondary mechanism of funding only if entirely necessary.

GUIDELINES & PSP

Eligibility - Applications - Review
Awards - Administration

ELIGIBILITY

APPLICANTS

California public agencies with **primary responsibility for flood emergency response.**

Local Maintaining Agencies

Reclamation Districts

Flood Control Districts

Cities

Counties

Joint Power Authorities
