Division of Flood Management  
3310 El Camino Avenue, LL60  
Sacramento, CA 95821

November 30, 2005

State of California  
The Resources Agency  
Department of Water Resources  
Division of Flood Management  
Delta-Suisun Marsh Office

**ADDENDUM NO. 1****TO ALL PROSPECTIVE APPLICANTS:**

**Request for Qualifications (RFQ NO. 10103410) –  
Engineering Support and Earth Science Services**

Please replace the original pages listed below of your RFQ package with the enclosed revised pages.

**Page 2**

Section III, paragraph 6 has been changed to read:

6. Information on successfully completed California Delta levee work and risk analyses that required the application of engineering principles and expertise.

Section IV, directly below Section IV, the following paragraph has been added:

The following criteria and evaluation will apply to the entire team submitted by the firm applying a SOQ for this proposal. The team includes all sub-contractors that may be required to perform the work and services as described in the Scope of Work of this RFQ.

**Page 3**

Section IV, paragraph D, has been changed to read:

- D. Experience with California Delta levees and the potential hazards involved.

**Page 5**

Section VII, new Paragraph D has been added to read:

- D. Any substitutions of sub-contractors listed at the time of selection, must be approved by DWR before they can be used on this contract.

Addendum 1
