

American River Basin: Upper Unionhouse Creek Flood Protection Project

Attachment 12: AB1420 and Water Meter Compliance Information

The project described herein is for the Sacramento Area Flood Control Agency (SAFCA). SAFCA is not an urban water supplier as described in the California Water Code. As such, SAFCA is not required to comply with the AB1420 or water meter compliance requirements of the water code. An original Water Meter Compliance form for SAFCA is included in this attachment.

**SAFCA's Signed Certification for Compliance with Water Metering

Project Title (as shown on application form): Florin and Unionhouse Creeks Detention
Storage Project

Please check one of the boxes below and sign and date this form.

As the authorized representative for the applicant agency, I certify under penalty of perjury under the laws of the State of California, that the agency is not an urban water supplier, as that term is understood pursuant to the provisions of section 529.5 of the Water Code.

As the authorized representative for the applicant agency, I certify under penalty of perjury under the laws of the State of California, that the applicant agency has fully complied with the provisions of Division 1, Chapter 8, Article 3.5 of the California Water Code (sections 525 through 529.7 inclusive) and that ordinances, rules, or regulations have been duly adopted and are in effect as of this date.

I understand that the Funding Agency will rely on this signed certification in order to approve funding and that false and/or inaccurate representations in this Certification Statement may result in loss of all funds awarded to the applicant for its project. Additionally, for the aforementioned reasons, the Funding Agency may withhold disbursement of project funds, and/or pursue any other applicable legal remedy.
