### Introduction

The City of Chino previously submitted AB 1420 self certification documentation to DWR for verification as part of the Prop 1E Integrated Regional Water Management Grant Round 1. Based on DWR’s review of the submitted documentation, the City of Chino was and currently is in compliance with the AB 1420 requirements. A copy of the compliance letter is attached herein.

Dear Mr. Hornock:

The Department of Water Resources (DWR) has reviewed the City of Chino's Self-Certification Statement – Table 1 submitted on April 13, 2011, regarding implementation of the Urban Best Management Practices (BMPs).

The purpose of DWR's review is to determine City of Chino's eligibility to receive water management grant or loan funds. DWR has followed the *AB 1420 Compliance Requirements* dated January 1, 2009. For detailed information, please visit <http://www.water.ca.gov/wateruseefficiency/finance/>.

Based on DWR's review of the information in Table 1, the City of Chino has and is currently implementing the BMPs consistent with AB 1420 and, therefore, is eligible to receive water management grant or loan funds.

DWR reserves the right to request additional information and documentation, including reports from City of Chino to substantiate the accuracy of the information provided in Table 1. DWR may reverse or modify its eligibility determination and notify you and the funding agency if inaccuracies are found in the supporting documentation or in Table 1.

If you have any questions, please contact me at (916) 651-7034 or Betsy Vail at (916) 651-9667.

Sincerely,
