

**City of East Palo Alto Proposition 1E IRWM Stormwater Flood Management Grant Application
Runnymede Storm Drain Phase II and O'Connor Pump Station Outfall Project**

Attachment 2 – Proof of Formal Adoption

Attachment 2 is mandatory and consists of proof of formal adoption (i.e. a signature page, with dates of signature) for all RWMG entities and project proponents adopting the IRWM Plan and other documentation that the IRWM Plan was adopted.

As noted in Attachment 1, the BAIRWM Plan will be adopted later in 2013. The City of East Palo Alto intends to adopt the BAIRWM Plan and will provide the Department of Water Resources with the proof of adoption once it is available.
