

KAWEAH RIVER BASIN IRWM GROUP 2013 PROP 1E GRANT PROPOSAL

13 ATTACHMENT 10 – GWMP, AB 1420, AND WATER METER COMPLIANCE INFORMATION

For the “AttachmentName” in the naming convention of BMS, use “SelfCert” for this attachment.

Attachment 10 is mandatory and consists of three self-certification documents: GWMP (CWC §10753.7), AB 1420 (CWC §10631.5), and Water Meter Compliance (CWC §525 et seq.). GWMP, AB 1420, and Water Meter compliance self-certification documentation must be signed and submitted in hard copy. Only a single hard copy (with wet signature) submittal per project is required for this attachment; do not submit four (4) hard copies. Agencies submitting these forms should be consistent with the answers given in Q9, Q11, Q12, and Q13 of the electronic application.

Each urban water supplier that would receive grant funding must submit self-certification documents to verify the compliance of AB 1420 (CWC §10631.5), and Water Meter Compliance (CWC §525 et seq.). The AB 1420 self-certification documentation must be prepared in accordance to the instructions found at the following link:

<http://www.water.ca.gov/wateruseefficiency/finance/>. As DWR is both the funding agency and the approval agency, a single submittal to DWR is sufficient. The Water Meter compliance self-certification form and instructions can be found at: www.water.ca.gov/irwm/grants/resourceslinks.cfm. Each urban water supplier proposing wastewater projects, water use efficiency projects, or drinking water projects must complete the form.

The GWMP (CWC §10753.7) self-certification document must be submitted by each proponent of a groundwater project or other project that directly affect groundwater levels or quality. The GWMP self-certification documentation must be prepared in accordance to the instructions found at:

<http://www.water.ca.gov/irwm/grants/resourceslinks.cfm>

As there are no urban water suppliers that will receive grant funds through the proposal, this attachment does not apply.
