

**ATTACHMENT 2****ADOPTED PLAN AND PROOF OF FORMAL ADOPTION**

The South Orange County Integrated Regional Water Management Group ("South Orange County IRWVG") was recognized as a region during the Proposition 50, Chapter 8 Integrated Regional Water Management Program Implementation Grant (Prop 50) Round 1 effort. The South Orange County IRWVG developed and adopted the South Orange County IRWMP in 2005. The County of Orange was established as the lead agency for IRWMP implementation, and the Municipal Water District of Orange County ("MWDOC") and the South Orange County Wastewater Authority ("SOCWA") as providers of significant resources and leadership in South Orange County IRWM. Therefore, the Board of Directors for each of these three agencies adopted or accepted the IRWMP by resolution as follows: the County of Orange Board of Supervisors accepted on June 7, 2005, Resolution No. 05-143; the Municipal Water District of Orange County Board of Directors adopted on June 15, 2005, Resolution No. 1768; and the South Orange County Wastewater Authority Board of Directors adopted on June 2, 2005, Resolution No. 2005-07. In addition to the resolutions stated above, the other South Orange County IRWVG members adopted, accepted, or approved the IRWMP are included in Appendix F of the IRWMP and are attached as Att2\_SWF\_Adopt\_2 of 2.

In June 2005, the South Orange County IRWVG submitted the South Orange County Integrated Regional Watershed Management ("IRWM") Plan for Proposition 50, Chapter 8 Integrated Regional Water Management Program Implementation Grant funds.

In January 2007, the South Orange County IRWMP was one of seven statewide proposals recommended for funding. In July 2007, the South Orange County IRWVG executed a Prop 50 Integrated Regional Water Management Implementation Grant Agreement with the State Water Resources Control Board to receive grant funds in an amount of \$25,000,000 for the seven highest ranking projects included in the South Orange County IRWMP.

In September 2009, the South Orange County Water Management Area ("WMA") was recognized as a Region during the Region Acceptance Process ("RAP"). With the funding of the South Orange County IRWM Group's seven projects underway and the release of the new Proposition 84 IRWMP Standards, the South Orange County IRWVG identified additional areas of the existing South Orange County IRWM Plan (adopted in 2005) that needed to be re-written/revised to reflect the new priority projects for the region and meet the Proposition 84 standards.

In September 2010, the South Orange County WMA submitted a Planning Grant Proposal under DWR's IRWM Program to update the 2005 IRWMP to comply with recent Proposition 84 standards. As of December 2010, the Planning Grant was recommended for funding. The South Orange County WMA is currently proceeding with updating the IRWMP.
