

CASGEM Compliance

- Project 1: Coulterville Second Water Source Well
 1. **Project Location:** 37.716291, -120.195959
 2. Implementing Agency Service Area Boundary PDF GIS map attached.
 3. **Groundwater Basin:** This project is not located in the Region’s only groundwater basin—the Yosemite Valley Basin, which is ranked Very Low on the DWR prioritization table.
 4. **Basin Priority:** Not applicable

- Project 2: Coulterville Water Line Improvements
 1. **Project Location:** 37.711767, -120.195394
 2. Implementing Agency Service Area Boundary PDF GIS map attached.
 3. **Groundwater Basin:** This project is not located in the Region’s only groundwater basin—the Yosemite Valley Basin, which is ranked Very Low on the DWR prioritization table.
 4. **Basin Priority:** Not applicable

- Project 3: Yosemite West Second Water Source Well
 1. **Project Location:** 37.648137, -119.713804
 2. Implementing Agency Service Area Boundary PDF GIS map attached.
 3. **Groundwater Basin:** This project is not located in the Region’s only groundwater basin—the Yosemite Valley Basin, which is ranked Very Low on the DWR prioritization table.
 4. **Basin Priority:** Not applicable

- Project 4: Yosemite West Water Line Improvements
 1. **Project Location:** 37.647640, -119.717704
 2. Implementing Agency Service Area Boundary PDF GIS map attached.
 3. **Groundwater Basin:** This project is not located in the Region’s only groundwater basin—the Yosemite Valley Basin, which is ranked Very Low on the DWR prioritization table.
 4. **Basin Priority:** Not applicable

- Project 5: Fish Camp Water Storage and Well Development
 1. **Project Location:** 37.480946, -119.644246
 2. Implementing Agency Service Area Boundary PDF GIS map attached.
 3. **Groundwater Basin:** This project is not located in the Region’s only groundwater basin—the Yosemite Valley Basin, which is ranked Very Low on the DWR prioritization table.
 4. **Basin Priority:** Not applicable

- **GIS Shape File Packages are available for each of the above listed projects.**
