

**CABY Integrated Regional Water Management Group
2014 IRWM Drought Grant Solicitation**

Attachment 1: CASGEM Compliance

Attached please find:

- Map showing CABY Region and proximity to groundwater sub-basins.
- Maps for each project included in this proposal showing project location and implementing agency's service area boundary, project latitude and longitude and name of closest groundwater basin(s).
- Shapefiles for each project are attached, either in this file or as an additional upload on the GRanTS website

None of the projects included in this proposal overlie a groundwater sub-basin.

Agencies who are proponents of projects in this proposal whose *agency* boundaries (NOT *project* boundaries) overlie a sub-basin are as follows:

Placer County Water Agency

Sub-Basins

6-67 Medium: Martis (Truckee) Valley: Monitoring Agency: *Yuba County Water Agency*

6-5.03 Very Low

6-108 Very Low

6-5.02 Very Low

5-21.64 High: North American: Monitoring Agencies: *City of Roseville, Sacramento Groundwater Authority, South Sutter Water District*

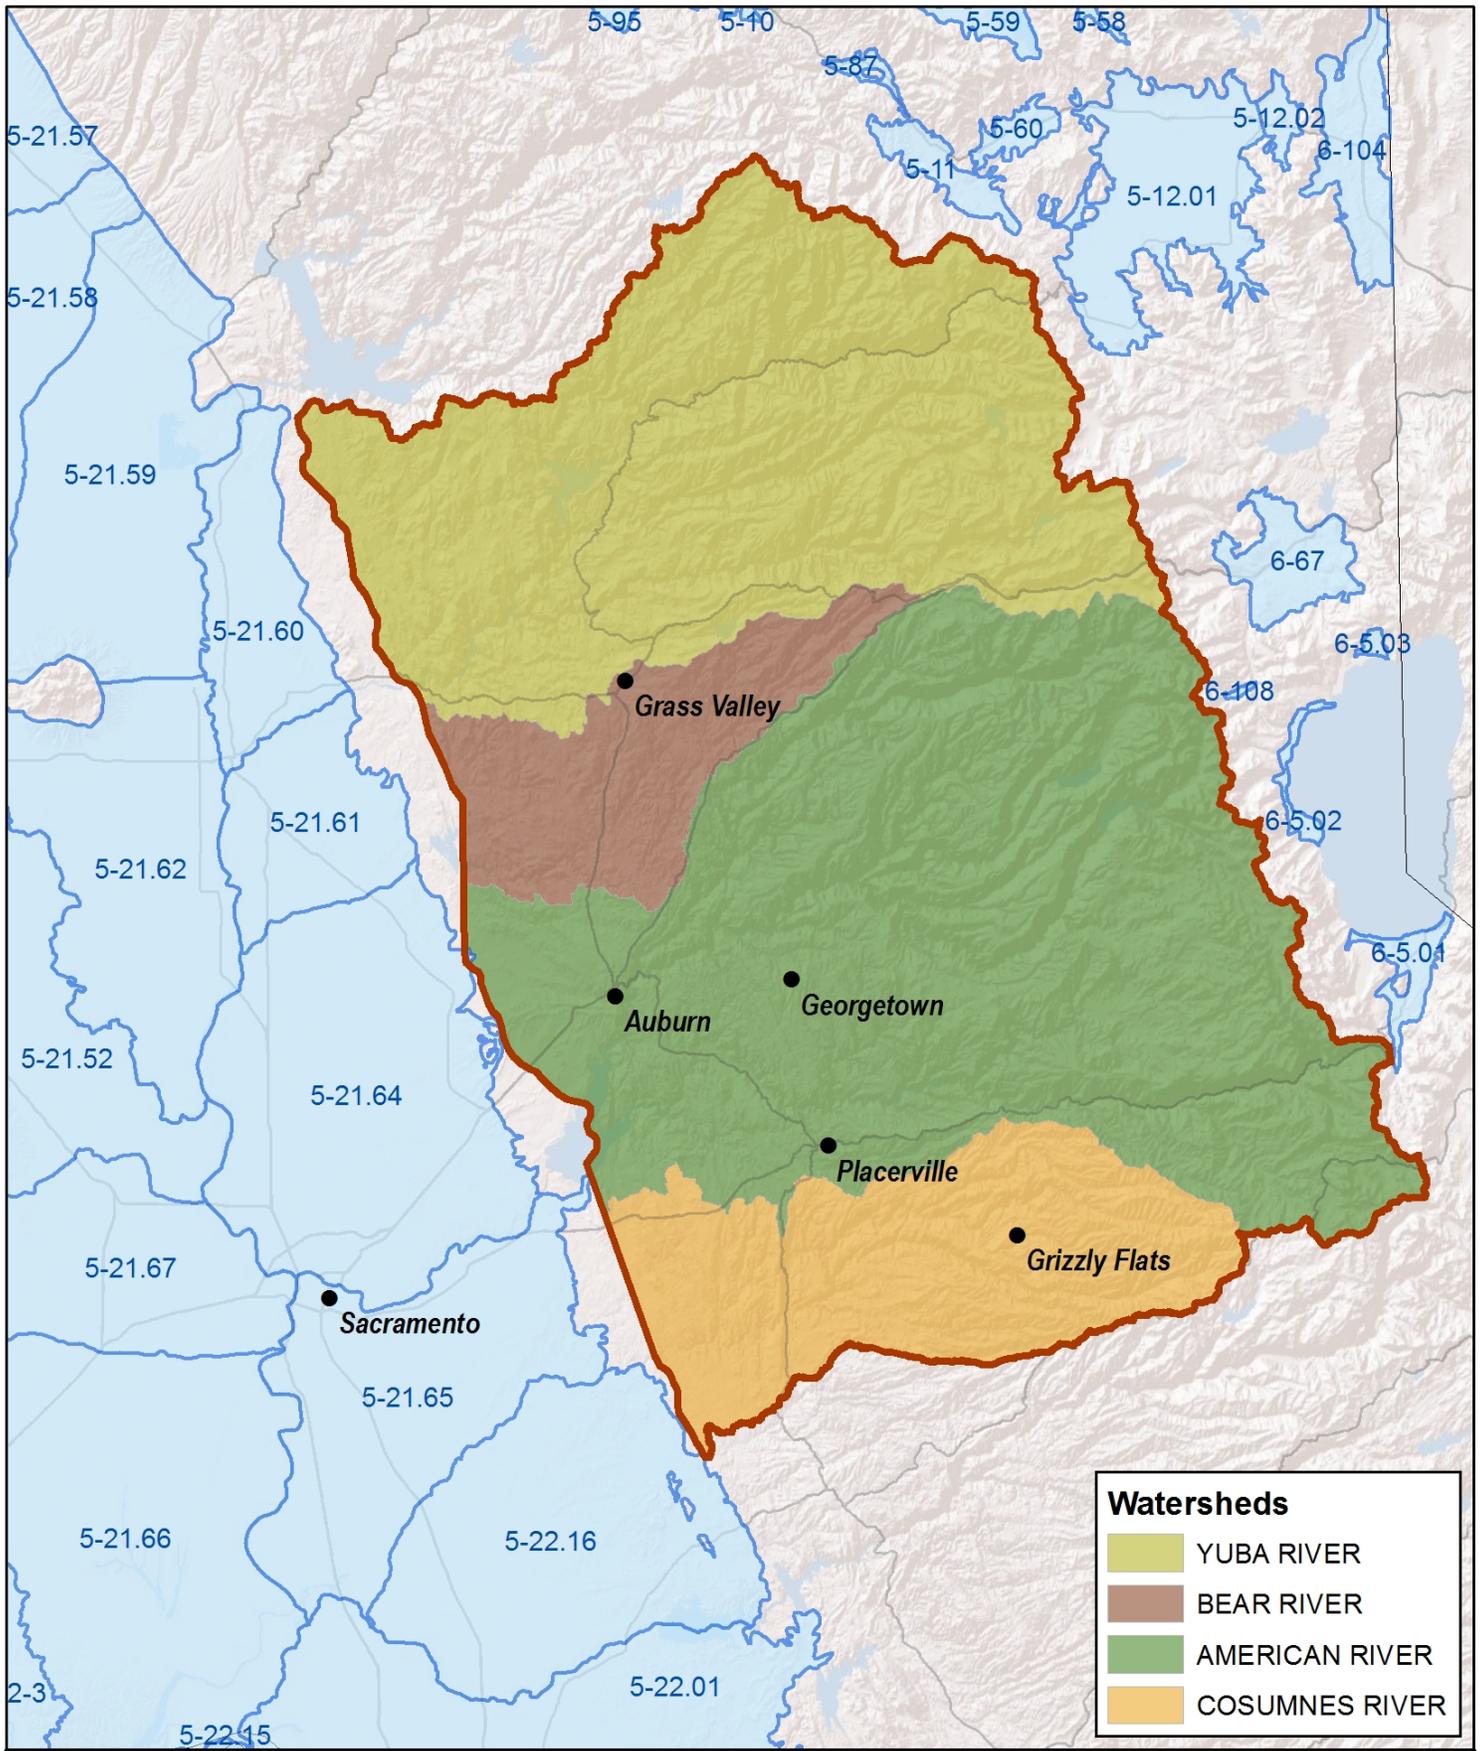

5.21.61 Medium: South Yuba: Monitoring Agency: *Yuba County Water Agency*

El Dorado County Water Agency

6-5.01 Medium: Tahoe Valley South: Monitoring Agency: *South Tahoe PUD*

Nevada Irrigation District

5-21.64 High: North American: Monitoring Agencies: *City of Roseville, Sacramento Groundwater Authority, South Sutter Water District*
