NO DIVERSION – I hereby certify that I will not be diverting any water under the above specified water right during the 2014 water diversion curtailment period.

ALTERNATE SOURCE – I hereby certify that I will not be diverting any water under the specified water right during the 2014 curtailment period. However, I will be serving all or a portion of its place of use with my alternate source(s) of water, as specified below:

Ground (well) water

Senior Post-1914 Appropriative Water Right (specify Permit/License No.): _____

Riparian water right(s) and/or pre-1914 appropriative water right(s)*

Water use is reported under Statement of Water Diversion and Use No(s): S004683

My use is excluded from filing a Statement of Water Diversion and Use under California Water Code section 5101 (generally, because the use included in other sufficient reports, or is from a spring that does not flow off your property).

None of the above.

Contract (purchased) water from _____

Will serve the place of use by withdrawing water stored under Permit/License No. * prior to start of this curtailment period.

Other source (specify) water supplied under Agreement and Stipulation dated Aug, 1988, DOI, Oakdale ID, SSJID

SOLE SOURCE OF WATER FOR HUMAN HEALTH & SAFETY – *Licenses 604, 2012, 2013, 3986, 12385, 10166, 7856 and 7857

I hereby certify that the water right being curtailed is the only source of water available for human health & safety needs.

I also certify that I have looked into alternative water supplies from the following:

Groundwater Well

Bottled Water

Purchase Supply

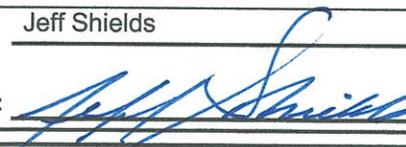

Other _____

HYDROELECTRIC POWER GENERATION – I hereby certify that I am directly diverting water for hydroelectric power generation or other non-consumptive use and all water diverted is returned to the stream.

OTHER – I have attached an additional sheet explaining how much water I am diverting, the use of that water, the measures being undertaken to reduce use, and the basis on which I contend that the diversion and use is legally authorized notwithstanding the very limited amounts of water available during this drought emergency. _____

* Please note that only limited natural or abandoned water is available during a curtailment period. Water released from upstream storage projects is not available to divert under a riparian or pre-1914 right.

I declare that the information in this certification is true to the best of my knowledge.
