

Tahoe Sierra IRWMP Drought Preparedness Project

Attachment 1: Adopted Plan and Proof of Adoption

The Tahoe Sierra IRWM partnership submitted a final IRWM plan to the Department of Water Resources on July 16, 2014.

South Tahoe Public Utility District is the organization submitting the plan for review.

Acting as contact for the Tahoe Sierra IRWM plan:

Lynn Nolan

1275 Meadow Crest Drive

South Lake Tahoe, CA 96150

(530)543-6215, lnolan@stpud.dst.ca.us

The status of the IRWM plan is: Final and not adopted

The Tahoe Sierra RWMG is waiting for the Department of Water Resources plan review to adopt. The schedule for adoption will be by September 9, 2014 for those agencies submitting projects for the IRWM Drought Funding and all remaining partners by October 2014.

Proof of the adoption will be submitted to the Department of Water Resources on or before September 9, 2014.
