

Attachment 1: Authorization and Eligibility Requirements for the Mokelumne /Amador / Calaveras Region

✓ **Project Consistency with an adopted IRWM Plan**

A statement regarding project consistency with the adopted MAC Plan is provided in Appendix 1.5.

**Appendix 1.5 – Statement Regarding Project Consistency with
Adopted MAC Plan**

Statement Concerning Project Consistency with the adopted IRWM Plan

As the authorized representative of applicant Upper Mokelumne River Watershed Authority (UMRWA) I hereby acknowledge the three projects listed in the table below, which are those projects UMRWA is requesting funding pursuant to the 2014 Drought Grant process, are contained in the adopted Mokelumne-Amador-Calaveras (MAC) IRWM Plan. These three projects are referenced in the following sections of the MAC Plan as adopted in January 2013.

- Chapter 4 – Implementing Projects and Programs
- Appendix C – Project Summary and Evaluation
- Appendix D – Project Type and Financing Summary
- Appendix E – Camanche Area Regional Water Supply Project Report

In a letter to UMRWA dated May 30, 2014 DWR stated that it has determined the MAC Plan to be consistent with the IRWM Planning Act and the related IRWM Plan Standards contained in the 2012 IRWM Program Guidelines.

MAC Plan Project	Project Sponsor
1. Upper Amador Canal Untreated Pipeline Project (also referred to as the Small Diameter Pipeline – Raw Water Canal to Pipe Conversion Project)	Amador Water Agency
2. Ione Water Treatment Plant Backwash Water Reuse Project (referred to as the Backwash Water Reuse Project)	Amador Water Agency
3. Sheep Ranch WTP Compliance and Conservation Project	Calaveras County Water District
