

## **ATTACHMENT 1: AUTHORIZATION AND ELIGIBILITY REQUIREMENTS**

---

### **Eligible Applicant Documentation**

The lead applicant agency, Yolo County Flood Control and Water Conservation District, on behalf of the Westside-Sacramento Drought Funding Application is an eligible applicant for this 2014 IRWM Drought Grant Solicitation.

Per requirements of the Eligible Applicant Documentation Section (page 16) of the Project Solicitation Package (PSP) 2014 IRWM Drought Grant Solicitation, the lead applicant to the Westside-Sacramento Drought Funding Application acknowledges that it:

- Is a local public agency as defined in Appendix B of the 2014 IRWM Drought Guidelines.
- Was established at the request of the Yolo County Supervisors and created by California Legislature as an independent Special District to seek new water sources and manage them efficiently.
- For the purposes of this mission, has the legal authority to enter into a contract with the State will establish agreements with project partner agencies and/or organizations that ensure performance of the Proposal and tracking funds. YCFCWCD will submit records, invoices, quarterly reports, and any other documentation deemed necessary by the California Department of Water Resources (DWR) to DWR in relation to the Proposal and the tracking of its funds and expenditures for the duration of the grant should it receive grant funding.
