Mr. Gregor G. Meyer
Public Works Director
42929 County Road 24
Woodland, California 95695

Dear Mr. Meyer:

The Department of Water Resources (DWR) has reviewed the City of Woodland's (City) Self-Certification Statement – Tables 1 and 2 submitted on April 18, 2014, regarding implementation of the Urban Best Management Practices (BMPs).

The purpose of DWR's review is to determine the City's eligibility to receive water management grant or loan funds. DWR has followed the *AB 1420 Compliance Requirements* dated January 1, 2009. For detailed information, please visit <http://www.water.ca.gov/wateruseefficiency/finance/>.

Based on DWR's review of the information in Tables 1 and 2, the City has and is currently implementing the BMPs consistent with AB 1420 and, therefore, is eligible to receive water management grant or loan funds.

DWR reserves the right to request additional information and documentation, including reports from the City to substantiate the accuracy of the information provided in Tables 1 and 2. DWR may reverse or modify its eligibility determination and notify you and the funding agency if inaccuracies are found in the supporting documentation or in Tables 1 and 2.

If you have any questions, please contact me at (916) 651-7034 or Betsy Vail at (916) 651-9667.

Sincerely,

Ms. Dawn Calciano
Water Conservation Coordinator
City of Woodland
655 N. Pioneer Avenue
Woodland, California 95695

Dear Ms. Calcaino:

The Department of Water Resources (DWR) has reviewed the City of Woodland's 2010 Urban Water Management Plan (UWMP) received on August 10, 2011. The California Water Code (CWC) directs DWR to report to the legislature once every five years on the status of submitted plans. In meeting this legislative reporting requirement, DWR reviews all submitted plans.

DWR's review of the City of Woodland's 2010 plan has found that the plan has addressed the requirements of the CWC. DWR's review of plans is limited to assessing whether suppliers have addressed the required legislative elements. In its review, DWR does not evaluate or analyze the supplier's UWMP data, projections, or water management strategies. This letter is simply meant to acknowledge that the City of Woodland's 2010 UWMP has addressed these requirements. The results of the review will also be provided to DWR's Financial Assistance Branch.

If you have any questions regarding the review of the plan or urban water management planning please don't hesitate to email or call.

Sincerely,

A handwritten signature in black ink, appearing to read "Peter Brostrom".
