RESOLUTION NO. 2014-07

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BRENTWOOD
ADOPTING THE 2013 EAST CONTRA COSTA COUNTY INTEGRATED REGIONAL
WATER MANAGEMENT PLAN.**

WHEREAS, the East Contra Costa County ("ECCC") Integrated Regional Water Management Plan ("IRWMP") is a comprehensive planning document that identifies the region's water management issues, develops strategies to address those issues, and provides structure to implement the strategies; and

WHEREAS, ECCC agencies, including the City of Brentwood, must adopt the 2013 IRWMP in order to be eligible for future state grant funding; and

WHEREAS, the 12 ECCC IRWM member agencies are a diverse group with varied water resource management responsibilities that include providing water supply, wastewater, recycled water, and flood control services as well as maintaining and improving water quality and developing watershed and resource habitat; and

WHEREAS, the IRWMP lists over 50 projects from the member agencies that address multiple needs: and

WHEREAS, included in the IRWMP is the City's Capital Improvement Project, Non-potable Water Distribution System Phase III, which provides water supply reliability, and allows for the restoration of environmental resources; and

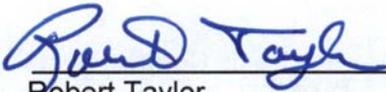

WHEREAS, the IRWMP has been noticed for public review and intent of Council adoption; and

WHEREAS, adoption of the 2013 IRWMP is required in order to be eligible for future grant planning.

NOW, THEREFORE BE IT RESOLVED the City Council of the City of Brentwood adopts the 2013 East Contra Costa County Integrated Regional Water Management Plan.
