

## I. CASGEM Compliance

California Statewide Groundwater Elevation Monitoring (CASGEM) eligibility for project proponents included in this Proposal is shown in **Table 1-8** below. All Proposal project proponents with service areas within CASGEM Program high- and medium-priority groundwater basins are eligible for funding. Monitoring entities for all high- and medium-priority groundwater basins affected by the Proposal have been designated.

**Figure 1** on the following page, shows the project proponent service areas and groundwater basins.

A GIS shapefile with service area boundaries of applicable project proponents are in the zipped folder included in Attachment 1, File 2 of 2.
