

**WATERSHEDS COALITION OF VENTURA COUNTY
2015 IRWM Implementation Grant Proposal**

AUTHORIZATION AND ELIGIBILITY

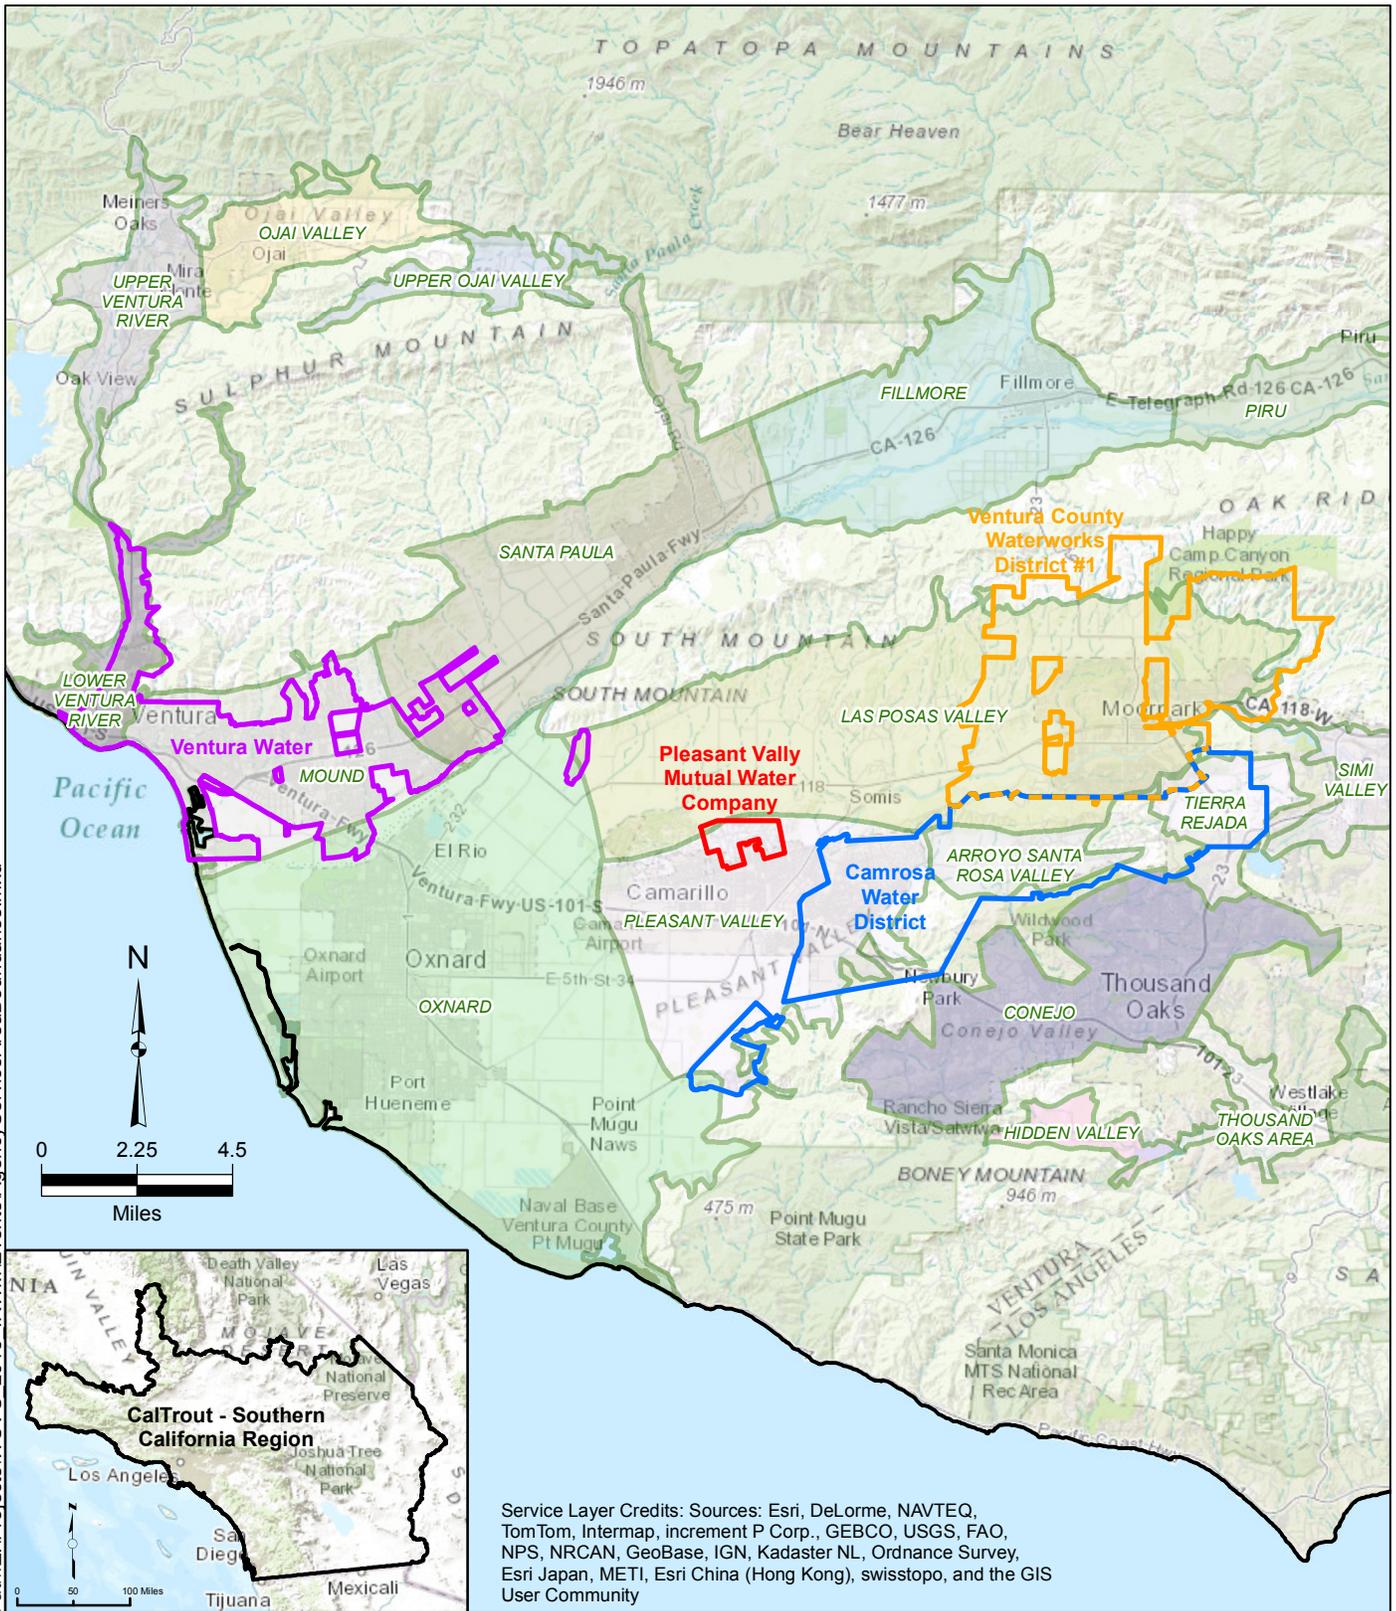

CASGEM Compliance

In order to demonstrate CASGEM eligibility, information is being provided here for each project in this Proposal. One map with the service area boundaries for all project proponents is provided below. The GIS layers of each service area boundary have been combined into one shape file, which is provided in Att1_2015IRWM_Eligible_10of10.

The Ventura County Watershed Protection District is the designated CASGEM monitoring entity for all groundwater basins within Ventura County and is in compliance with California Water Code §10920. Table 2 below provides a summary of the groundwater basin(s) that each project overlies as well as the basin priority as determined by the CASGEM Program.
